24/05/22 WTC	<p>6 - County and District Councillor's Report To receive the monthly reports from OCC and WODC Councillors <u>County Council Report</u> The Clerk apologised for not circulating the report. Cllr Graham reported the following: - Oxford United Stadium: 'Heads of terms' have been agreed between Oxfordshire County Council and OUFC for the lease of land near Kidlington owned by OCC and proposed to be the site of OUFC's new home. A number of other key legal and partnership agreements still need to be made, including planning permission from Cherwell District Council and the production of a net zero carbon plan. Boost to cycling: OCC has approved its map for a 'Strategic Active Travel Network (SATN)'. The map has straight line walking and cycle routes between settlements in Oxfordshire and towns/villages in neighbouring counties.</p>

	<p>Mission to eliminate road deaths: A package of measures aimed at eliminated deaths and serious injuries on Oxfordshire’s roads by 2050 (‘Vision Zero’) have been approved. Every 2 years there are currently approximately 30 deaths and 245 serious injuries on Oxfordshire’s roads. The programme has £4 million in funding for projects to be delivered by 2026.</p> <p>Community transport grants 2024-25: OCC is inviting parish/town councils to bid for community transport grants from a pot of £150,000. Last year, Watlington Parish Council was awarded a grant for a transport study. Applications from successful bidders in 2023-2024 will not be considered to give opportunity for other areas to benefit also.</p> <p>Road closures: As we approach the summer season, we will see increased work to the road network. You can keep up to date with One Network and OCC’s map tool for major highway maintenance.</p> <p>Traffic disruption Blenheim Game Fair The traffic management has been agreed and it is hoped this will be successful but there will be a lot of traffic coming to the area.</p> <p>Park and Ride to Oxford The cost is being kept a £4 to encourage the use of the Park and Ride facility The Mayor request that the Parking concerns be relayed back to OCC. For Cllr Graham to meet with Cllr Burr regarding Public Transport and with Mr Lally the Post Master regarding the Parking issues. Cllr Graham agreed to do this. Cllr Parnes asked Cllr Graham if regarding the parking the promised economic impact survey could be done. Cllr Graham asked the Cllr Parnes emailed him on this subject and went on to say he felt emails to him with questions is the best way of communication.</p> <p><u>WODC Report</u> Cllr Poskitt informed the Council that she had received an email from Catherine Bishop organiser of the Game Fair which will be at Blenheim 26th -28th July who wished to invite anyone that would like to discuss things about the Game Fair to a resident informal meeting at the Stable Café between 6-8 pm on Tuesday 4th June 2024. 24/06/03 WTC	3 - Public Speaking and Question Time 1 member of the public addressed the Council regarding the new consultation being carried out by Botley West Solar and urged the Town Council to feed back on the need for community benefits. They were concerned that councils would be walking into accepting the £50,000 per year offered. They then went onto refer to the £5,000 per mw per year that has been secured by windfarms and if this figure was used the total would be £168m compared to £2m. Cllr Martin asked for a copy of the speaker report to be circulated and the speaker said she would email it to the Clerk.
24/06/04 WTC	4 - County and District Councillor's Report To receive the monthly reports from OCC and WODC Councillors Due to the purdah period no reports were received.

24/06/07 WTC	<p>7 - Memorial Safety</p> <p>To approve Banbury Memorials to make safe headstones at Hensington Road at a cost of £700 + VAT if applicable</p> <p>Decision</p> <p>It was agreed to approve Banbury Memorials to make safe the headstones at Hensington Road at a cost £700+VAT if applicable.</p>
24/06/08 WTC	<p>8 - Street Naming</p> <p>WODC has asked for the Councils opinion on which 2 of the following street names should be used at Land of Hill Rise: - Chambers Drive/Close, Briant Drive/Close, Walker Drive/Close and/or Keene Drive/Close.</p> <p>Decision</p> <p>It was agreed by the Council that the 2 names should be Walkers Drive and Keene Close</p>
24/06/09 WTC	<p>9 - Graffiti</p> <p>To consider the following motion from Cllr Parnes</p> <p>Motion</p> <p>Woodstock Town Council NOTES its awareness of lurid graffiti that has remained for some 10 months on a children’s play apparatus at the New Road Playground and other graffiti at the site, and RESOLVES to arrange for removal of all of the graffiti vandalism that has remained since on the play apparatus, tree and sign in the New Road Playground (Cadogan Park).</p> <p>Cllr Parnes spoke about the motion. There was no seconder for the motion Due to the removal of most of the graffiti since the motion was submitted Cllr Parnes was as by the Deputy Mayor to withdraw the motion.</p> <p>It was agreed to refer the issue of the Graffiti to the Environment Working Group for discussion and recommendations to be presented to the Council at the next meeting. It was suggested that any recommendations should include the process for dealing with graffiti once reported including removal to attempted by Council staff first and if unsuccessful to employ a specialist firm to undertake the removal of the graffiti.</p>
24/06/10 WTC	<p>10 - ICO and GDPR</p> <p>To consider the following motion from Cllr Parnes</p> <p>Motion</p> <p>The Town Council notes that its Resolution in Minute WTC44/18 from 12th June 2018 remains substantially unimplemented and agrees to prioritise arrangements for its full implementation within the within the next six weeks, with external specialist assistance were necessary including comparable equivalents to a data protection and information management audit until an ICO audit can be arranged; or otherwise to implement requisite ‘rescission rule’ formalities in order to treat the Resolution in Minute WTC44/18 as rescinded (which the Proposer does not recommend) and thereby prevent further delays.</p>

	<p>The motion was seconded by Cllr Grant</p> <p>Cllr Parnes spoke on the motion and a discussion took place.</p> <p>The Clerk provided an updated on the actions take to date on of the 4 items of the resolution referred to. She said all Councillors had Council email addresses, emails contain privacy statements, the training requested has not taken place and although Councillors cannot be forced to carryout training the Staff can be required to carryout the training and the final request to ask for a ICO audit had been actioned. The ICO declined the request and suggested the Council apply for an advisory check-up. The Clerk did request an advisory check-up an this was carried out in January and the report was circulated prior to the meeting. The Clerk apologised for not share it sooner but there were special circumstances.</p> <p>The motion was put to a vote. Cllr Parnes requested a name vote</p> <p>For 1 – Cllr Parnes</p> <p>Against 6 – Cllrs Addis, Burr, Cooper, Martin, Nethercott and Parkinson</p> <p>Abstaining 1 – Cllr Grant</p> <p>The discussion continued and it was agreed that Satswana the Councils GDPR Officer would be asked for</p> <ul style="list-style-type: none"> • Guidance of GDPR footer on emails • Guidance on the contradiction on the GDPR Polices on the Council Website <p>It was also suggested to approach the ICO again for an audit but it was noted this could take some time as the demand is great.</p>
24/06/11 WTC	<p>11 – Grants</p> <p>To consider the following motion from Cllr Banbury.</p> <p><u>Motion</u></p> <p>To increase the maximum grant to any applicant to £1,000 on any one application</p> <p>Item Deferred</p>
24/06/12 WTC	<p>Clerk’s Spending Limit</p> <p>To consider the following motion from Cllr Banbury.</p> <p><u>Motion</u></p> <p>To limit the discretionary spending by the Town Clerk to a maximum of £1000</p> <p>The motion was not taken forward.</p> <p>Cllr Parkinson, Spencer-Churchill and Grant have been delegated to review the current Financial Regulation but due to the recent new NALC model Financial Regulation being released the group would now start afresh with the new model issued and the Clerks spending limit figure of £1000 would be included in the review.</p> <p>Council also agreed to Cllr Banbury also joining the review group</p>
24/06/13 WTC	<p>13 - Parking</p> <p>To discuss the parking problems that have arisen since the Parking Scheme has been implemented including the impact on local businesses, displaced parking, employees and volunteers and Hesington Road Car Park (Supporting papers provided)</p> <p>After a short discussion and guidance from the Clerk it was agreed the best course of action was for the Council to carry out their own survey on this issue.</p> <p>The Clerk will collate the comments and base the survey on them.</p> <p>It was agreed that the survey would be delivered to all households in Woodstock and available on line</p>
24/06/14 WTC	<p>14 - Exclusion of Press and Public</p> <p>To resolve the exclusion of press and public in accordance with the Press and Public (Admission to Meetings) Act 1960 as the matter to be discussed is deemed as confidential in nature.</p> <p>Propose by Cllr Parkinson Seconded by Cllr Addis</p> <p>It was agreed to move the meeting into confidential session</p>
24/06/15 WTC	<p>15 - Property</p> <p>To consider the recommendation within the report</p> <ul style="list-style-type: none"> • Cllr Grant pointed out that 4 Market Street on the report should read 2 Market Street. • The council note the tenancy on 4a Market Street, 4 Park Street and 2 Market Street had been agreed and the rent increased by the current rental market value. • The Property Agent informed the Council she would look into the cost of replacing the sub meters at 4 and 4a with independent meter and would report back to council in due course. <p>Cllr Grant pointed out that the lock on all 3 doors to the Parlour were very worn and needed replacing. She suggested identical locks with keys being fitted to each door so that only one key would be needed to gain access and lessen the amount of keys to carry around.</p>

	<p>Decision</p> <p>It was agreed to replace the locks to the Mayors Parlour and for the RFO to be asked move this action forward as soon as possible as it would be within the spending allowance of the Clerk</p>

24/07/06 WTC	6 County and District Councillor's Report To receive reports from OCC Cllr Graham and WODC Councillors Poskitt and Cooper There were no written reports from Cllr Graham or Cllrs Poskitt and Cooper

24/07/07 WTC	<p>7. Planning To consider the Councils response to the following applications: -</p> <p>a) Application: 24/01596/HHD 10 Hensington Close Demolition of existing garage, conservatory, and rear single-storey building. Erection of two-storey extension and single-storey rear extension. It was agreed that the Council had no objections to this Application</p> <p>b) Street Trading Consent for Alex Crepes on Woodstock Market Place – 1pm to 10.30pm 24th August and 25th August. It was agreed that the Council had no objections to this Application</p>
24/07/08 WTC	<p>8. Botley Solar Farm The Council agreed to move items 8-9 to the end of the Agenda as Cllr Poskitt had not arrived and she was seconding the motion.</p>
24/07/09 WTC	<p>9. Botley Solar Farm Targeted Consultation This item moved to end of Agenda</p>
24/07/10 WTC	<p>10. Upcoming Blenheim Events To discuss the traffic arrangements for the upcoming events and how to share details with residents. The Mayor asked OCC Councillor Graham if he could update the Council on the traffic situation for the European Political Community Summit taking place on the 18th July 2024. Cllr Graham Read from his telephone a message he had just received Planned road closures would be confirmed nearer the time. It was hoped to keep the disruption to a minimum. The day before and after the event preparations would be being put in place, such as gate, barriers to control traffic movement and these would be attended at all times by Police Officers. On the marked clearways vehicles will not be allowed to stop and there were to be other areas that would be marked no stopping. Delivery bays will be available clearly signed and marked out with traffic cones There will be a lot of Police present on foot and in vehicles. Some Bus Stops will be suspended but directions to the next available pick up would be given. There was at the moment any indication of which bus services will be available. Coming into Woodstock the get off point will be the stop near Long Close Wheelie Bin Collection will be as normal but residents are requested to bring them back in as soon as they are emptied. Any wheelie bin that is left on eth road side will be confiscated.</p> <p>The Mayor asked Cllr Graham to continue with his report Cllr Graham went on to say:-</p> <p>The yellow lines in Hensington Road will be completed by the end of July The new Nursery on Park View will be opening on 15th July 2024 Talks were still going on regarding a new library but it is hoped that it will be sited on the Hensington Road site. New Woodstock Doctors Surgery: - Talks have been going on regarding a new surgery for Woodstock and needs to be resolved I and other councillors here have been working on this and getting people around the table and have including Blenheim Estate, Doctors, WODC and OCC. We have done a visibility study on the Police station site but most of us came to the conclusion this site was not suitable. The ICP has made it difficult and as you may have seen in the Oxford Mail the Drs have sent a letter out prior to the election but the step up to the mark, with the ICB as this has been the stumbling block but now we have a new government. Now we have a new government maybe they will back up the s106 money. The ICB has been really disappointing and we Councillors are doing as much as we can as is Blenheim Estate so its back to the table to achieves a Medical Centre fit for purpose.</p>
24/07/11 WTC	<p>11. Consultation – A44 Manor Road proposed 30mph Speed Limit Extension To consider a response to the consultation to extend the existing 30mph speed limit on the A44 Manor Road at Woodstock, northwards from the junction with Hill Rise for a distance of approx. 230 metres in place of the existing 50mph speed limit. The proposal is being put forward as a result of the development of land for residential purposes adjacent to the A44 Manor Road at the northern end of Woodstock (Documents provided) The council had no objection to this proposal</p>

24/07/12 WTC	<p>12. Appendix 1

Report from the Mayor.

1st July 2024

I am sorry not to have been with you at the last Council meeting, due to long standing family arrangements. I know Councillor Grant will have handled the business in an experienced way, and am grateful to her for taking the meeting as my deputy.

Much work has been going on behind the scenes recently to improve the standard of the Council so that it can move forward from the situation it inherited in May.

Three tasks I identified to be done as soon as possible : the appointment of a full time Town Clerk; the revision, assessment, recording and finalising of the previous administration's accounts, and the identification and bringing forward in a financially acceptable way the underspending on work not done or completed by the past Council; and to bring our Council up to full strength by co-option of a twelfth Councillor. Our grateful thanks are due to Karen and Rachel for holding things together for so long without the proper support.

The first task was to interview and appoint a full time Town Clerk. This has been done, and we hope he will join us in August. With a full staff administration will be much improved.

Preparing the final accounts and bringing forward into this financial year all our current resources was completed at the last Council meeting. This will be backed up with the proposed financial regulations (based on the Financial Regulation recommendations published by the National Association Local Councils,) which report will be discussed in detail at the August meeting of the Council. This document was written to cover all sizes and shapes of Local Councils and we will adopt measures appropriate to the size and scale of our individual Council.

On the working groups, the new Opportunities group will, I hope, work up several schemes and plan to attract Section 106 monies as well as other outside sources. We know that this money is available, but only if we have workable, costed, schemes to offer. This is a priority as so many chances have slipped through the Council's hands in the past through being unprepared.

Later this month I am hoping to attract all who have a business in Woodstock, shops, offices and restaurants and hotels, to the Town Hall, to talk over all matters of concern and try to find ways the Council may help. I am considering an incentive for any new venture wishing to open in the Town.

On events, the Council will be more active. I hope the whole Council will be able to partake fully in the Remembrance Sunday parade on November 10th. The British Legion in Woodstock is, as elsewhere, unable to parade in numbers as before, but we all owe our freedom to those who fought in the two world wars, and we will never forget their bravery and sacrifice.

On Wednesday 12th December I will be holding a Mayor's Carol Service around the Town Hall Christmas tree, with Witney Town Band in attendance and a Carol Choir to lead the singing. and hopefully with seasonal refreshments. We will of course be supporting the Night of a Thousand Candles in late November as well.

I would like to have a tea party for volunteers and carers in February next year, to support all those who work in the care sector and appreciate the work they do, hopefully with Oxfordshire Age U.K (contact Troy Bryan 07827 23542)who have started initiatives around the Town, and will be available for assistance locally in many ways if contacted.

We are planning a Woodstock Open Garden event, probably at the end of May 2025, and a local sponsor has already been 'signed up'. I will hold an open meeting early in October for all who would like to take part or to help organize it.

I need support from all the Councillors and the leaders of the Town to make things happen. I look forward to a successful and forward-looking atmosphere in the Town. Those Councillors with a sense of humour will be welcome at the Town hall meeting on Saturday 20th July, at 4 pm – (which happens to coincide with the Mock Mayor celebrations)!

Unfortunately I cannot join your meeting today as I will be chairing my own Town Council Meeting. I have asked Councillor Cooper to present this report on my behalf.

This evening my Council will be debating a motion proposing the review of the enhancement of the community benefit with respect to the Botley West Solar Farm project.

I expect the contents of this motion will be passed by the Council .

I have considered the latest Information Change Note issued by the Botley West Solar Farm, dated June 2024. I make the following comments:

This consultation has not been widely publicized. It gives scant information, little explanation of the effect which will be apparent locally, and in a format difficult to follow or scale.

The detail is poorly described and in several cases the environmental effect is not considered. In general I find the lack of any detailed information on the proposed changes very worrying. There is no scale next to the plans drawn, no recognition of dwellings, other buildings or structures that might now be affected in any of the plans.

Item 18, locally to Woodstock on the Northern Site map, no mention is made of the effect on existing footpaths.

Item 21 on the Northern Site map, provision for the accommodation for the HDD compound, is effectively removing part of a significant hedge and felling of established tree belt in order to install a facility which is neither measured in area or scale. The verge beside the A4095 is narrow at this point. This calls for a wide entrance to be created, which will demand tree and hedge removal to gain access and egress for the large items of plant. At the southern end of this blue line is a residence and established family business which is not defined on the map and will be adversely affected by this change. The explanation states "unlikely to lead to significant adverse environmental effect". One must disagree with this statement.

As stated in the original consultation this is a reminder of the significant objections to the totality of the proposed scheme.

1) The scale of the Botley West scheme is very much based on return of investment to the major funders of the Scheme. It does nothing directly to help any of the neighbouring communities.

We may support smaller schemes which would directly give a source of power to local identified community or properties.

2) There is objection to the use of food-producing land being taken up with an industrial scheme, especially as 39% of that land is higher grade farming land. In future years we will be facing an even greater food poverty, since the increase of our population will require as much home-produced food as possible.

3) I object to the imposition of a solar panel scheme in an area which is, at a high latitude, not to benefit from sun during winter months, but work at higher production during summer with no way of storing the power produced. An average yearly return will be no more than 15% of the possible power yield.

4) I object to high protective screen fencing around each site which will:

a. prevent migration of animals and wild life permanently and destroy the natural life of the area.

b) deface the countryside by the appearance of actual structures as well as the covering of ground from the panels themselves.

Mayor and Clerks Reports (verbal report)</p> <p>a) To receive a report from the Mayor The Mayor Cllr Banbury reported: In the last week after the Agenda came out McCarthy and Stone have shown interest in the old Police station site and wish to develop homes for retired people on this site. This is just an indication given by post to the neighbours and we have no further information and is sorry to say this looks like a combined development of the car park and Police station site which is a shame. There will be more about this later when it comes forward for planning.</p>

b) To receive a report from the Clerk

The Clerk spoke to his report with regard to outstanding matters and pointing out there would be some budgetary requirements. The Clerks full report is attached as an appendix to these minutes

The Mayor thanked the Clerk for his hard work on this.

Cllr Grant pointed out that at item 9 on the Agenda the council were being asked to consider and approve allocation of the 23/24 reserves and ask the Clerk if he could give any indication of the financial allocation he would need to carry out the work listed in his report.

The Clerk informed the council that he would have a clearer view of cost ready for the October meeting.

7.County and District Councillor’s Report

a) OCC Cllr Graham

The Mayor invited Cllr Graham was to give an oral report.

Coach parking in the town

Cllr Graham has made personal representation with the Chinese restaurant and the Bear Hotel and informed them the County Council will be reviewing the Coach Parking regarding the coaches that park in the town other than to unloading. The coaches do not park where they should do, which is Bladon Chain. The Chinese restaurant does actually have a helpful map to give the Coach Drivers so they know where the park. He informed them that they need to bear in mind that action will be taken if they don’t abide by the coach parking facility and park in the town. He will report back on how this goes.

Health Centre

Meeting with the Mutual Oxford partnership of which I am the Chairman of the planning committee of the partnership which is a partnership of all councils and when it comes to strategic issues like public health it the place to where we can take it. So, Judy Dandridge from the ICB and Peter Redmond, who is part of the (BOB) Berkshire, Oxfordshire and Buckinghamshire Integrated Trust together, have some responsibility. We have a meeting on Friday at which we are going to look at the better working relationship, a better understanding of the planning issues that BOB are actually facing so that we can address it and also planning for health care structure. ‘That’s’ the remit of the meeting on Friday and I am very happy to report back on that because this is something that is very close to every one’s heart and something we want to see some action on but at least I think it’s a step in the right direction and lets see what we can actually get out of that, because we’ve got to move this forward.

Linked to that, is, today Layla Morarn who is the MP for Oxford West & Abingdon has been appointed the chair of the Health and Social Care Committee in Parliament which kind of gives us a route to insure that the issues that are being raised within our community does get to Parliament. It is my intension to ensure that future meetings of the Oxfordshire partnership and our issue that we face here combined, are brought to her so this can be a useful conduit for pressurising government it’s a small party committee.

Street Lighting

This is ongoing and I don’t know if its been resolved, in the High Street here, there was some complaint from a resident that the appropriate dimmer lighting has no been done, but I haven’t double checked it. If anyone here at night does go along there, you will see the difference of these big square floodlights, they are supposed to be angled down and not a bright light because that just reflects into peoples houses.

	<p>Art Competition He informed the council he had been asked to judging an Art Competition whilst in Australia using virtual technology and how amazing this virtual availability is.</p> <p>c) WODC Councillors. Cllr E Poskitt and J Cooper There were no question to Cllr Cooper.</p> <p>Cllr Grant said on the back of the WODC report she thought Woodstock Council should thank the residents of Woodstock that helped so greatly during the recent disruption in the gas supply to residents of Woodstock The Mayor agreed that the Council gives thanks to all those that helped during this difficult time and asked for it to be minuted.</p>
<p>24/09/08 WTC</p>	<p>8. Planning To consider the Councils response to the following applications: -</p> <p>a) License Ref: W/24/00967/PAVLIC Location: Kings Arms Hotel 19 Market Street Details: Pavement license for tables and chairs The Council had no objection to this application but wished to add the comment that care should be taken not to block any public footpath.</p> <p>b) To consider a response to Botley Solar Farm Veteran Tree Targeted Consultation (details provided) The council agreed that all regulations on the preservation of trees should be adhered to and WTC supports Bladon Parish Council with their response as the issue was in their parish. And that the former Clerk (Karen Howe) write a response together with the new Clerk</p> <p>c) To consider a response to the review of the National Planning Policy Framework (NPPF) The Council agreed to support WODC response to this issue and also wished to confirm their wish to protect Greenbelt land</p> <p>d) To consider a response to WODC's Community Infrastructure Levy consultation (details provided)</p> <p>The council agreed that the former clerk write to WODC requesting the format for claiming/receiving any of eth CIL funding. It was suggested the Council may wish to consider carrying out a Neighbourhood plan as this would be a useful tool for future applications for funding.</p>
<p>24/09/09 WTC</p>	<p>9. Finance To approve and sign the following:</p> <p>i) To approve and sign the Bank Reconciliation and sign the bank statements for the period ending 30th June 2024 and 31st of July (Copy provided)</p> <p>Decision The Council resolve to approved the Bank Reconciliation 2024 showing a balance of £398,845.18 for the period ending 30th June 2024</p> <p>The Mayor duly signed the reconciliation for period ending 30th June 2024</p> <p>Decision The Council resolve to approved the Bank Reconciliation 2024 showing a balance of £398,845.18 for the period ending 31st July 2024</p> <p>The Mayor duly signed the reconciliation for period ending 31st July 2024</p>

i) To receive the annual tree survey

Motion:

- 1. To approve** the high priority tree works quote from Dowdeswell excluding tree 1805
- 2. To approve** the medium priority tree works quote from Dowdeswell

Proposed by Cllr Grant

Seconded by Cllr Banbury

WTC accepts the quote for the necessary tree works at a cost of:

a) £4495 ex VAT for the listed high priority tree work as follows

High Priority Trees: OWL - 436, 1814, 1815 New Road Playground - 1810, 1390 Hensington Rd Cemetery - 259 Water Meadows - 1801, 1803, 1804, 1805, 1806, 1808 Lawn Cemetery – 1807.

With the acceptance of tree 1805 (a dead Ash Tree) which is constantly used as a natural habitat perch by many birds species as observed by our volunteer warden, noted this tree is not in a public asset area and to be under regular monitoring.

b) Estimated maximum of £3,500 ex VAT for the listed works in G6 area as needed tree works as listed below

Any windblown, dead or dying trees or any with stems over houses consider re-pollarding or felling and remove anything that is within falling distance of the road/houses. Re-pollard Willow and Alder in area close to road. Dowdeswell estimate this cost to be maximum £3,500 + VAT but we will be able to work this out when it is complete

c) To carry out medium priority tree surgery works at a cost of £3,025 ex Vat as listed below

Medium Priority Trees: OWL - 1812, 1813 & G11 Old Woodstock Playground - 317 Water Meadows - 432,429

d) To carry out another yearly pollarding/ overhanging branch cut back at a maximum cost of £2,205 ex VAT as listed below

In G8 we can estimate this cost to be maximum £2,250.00 + VAT but we will be able to work this out when it is complete.

Total estimate cost

a)	£4,495 ex VAT
b)	£3,500 ex VAT
c)	£3,025 ex VAT
d)	£2,205 ex VAT
	£13,225 ex VAT

Cost to be allocated from Reserve budget 2023/2024 if agreed at item 11 **Tree works £20,000** leaving a balance of **£6,745**

Included in the tree survey is a dead Ash Tree that is classes as high priority (1805). Our Volunteer Environmental Warden has shown concern regarding the removal for this tree as it is favourite purchasing place for Heros, Egrets, Red Kites, Buzzards Owls and woodpeckers.

Recommendation: The Council agrees not to have these trees removed but to have it monitored.

Suggested Amendment: Due to the concern with Ash Dieback still being transferred from this dead tree advice will be sort as to whether the tree can remain.

The Council agreed to carry out the high and medium priority tree works at the cost of £13,255 ex VAT

Vote was unanimously agreed

Appendix 2 for the meeting held on 15th October 2024

Oxfordshire County Councillors' Report to Woodstock Town Council October 15th 2024

1. Car Parking Improvements-County Council Consultation as the regulatory authority for on street parking

Woodstock Town council has been informed of proposed changes to improve the current car parking scheme through Oxfordshire County Councils statutory function and regulatory function/responsibility and as a consultee. Anyone can additionally respond to this consultation as specified in the consultative documents to be found on the OCC website.

Over the past year the county council has received largely constructive suggestions for reviewing and improving the scheme and this consultation is a response to many of those suggestions and that of officers. The consultation is open until October 25th. The responses will then form a report to the cabinet member, Andrew Gant for determination later in November at County Hall. If approved these will be implemented in early 2025.

The links to these documents for this consultation can be found using the following link: [Consultation documents | Woodstock - proposed parking restriction review 2024 | Let's Talk Oxfordshire](#)

2. Health Infrastructure Provision

The planning meeting of the Future Oxfordshire Partnership where the BOB and ICP were present to discuss the future local provision of medical healthcare and how local authorities could and should work in partnership in addressing health care provision through planning more strategically across Oxfordshire. A meeting in which I chaired. A task working group has been set up to bring back proposals and how section 106 monies could be prioritised and used.

Related to the need of a new Health Centre for Woodstock and surrounding areas and related to Hensington car park site as a potential site was held with all key stakeholders last year and was not considered feasible.

This was not a public meeting and exploratory. It was a way of focusing on a preferred site and was worth exploring.

I believe the ex-police station site is now in new private ownership having previously been owned by Blenheim and there are plans for a residential care facility.

There has been some speculation about Banbury Road as a future site for a health centre but no firm plans.

I think both the Facebook posting and comments made by others are somewhat confusing and largely anecdotal with some out-of-date information.

The need for a new health centre has been on the agenda for many years, even before I was a county councillor, and I remain committed to working with others towards finding a successful outcome. It is not however, the function or responsibility of the county council but I am using whatever influence I can yield to bring potential partners together.

3. Councillor Priority Fund

Pleased to report the recommended financial support to enable singing sessions for older people in and around Woodstock for the next 12 months. Thanks to St. Mary's Church for their support too to enable this worthwhile activity to be continued by the dedication of those involved.

4. Remembrance Sunday

I have been asked to represent the county council and lay a wreath by the Chair of the County Council at the memorial service on Remembrance Sunday in Woodstock.

Clerks Report Supplement, with advice from Oxford Association of Local Councillors (OALC)

OALC: were in agreement that the minute was accurate as there were no public speakers to speak on items on the Agenda as stated in Standing Orders 3e and suggested the it would have been clearer if the wording (on agenda items) had been added. They also confirmed that **once minutes have been signed they become a legal document and cannot be changed.**

There guidance to correct the error was as follows.

With reference to Tuesday 10th September 2024, Minutes, item 4. Public Participation.

Due to administration error the minutes of the 10th September 2024 were signed without the following motion added under item 4. Public Participation

Due to an oversight the motion was not added to the draft minutes of 10th September 2024. The council agreed the minutes without the motion being added, so the Mayor at the time, Cllr Banbury duly signed the minutes as an accurate recorded of the meeting.

Once minutes are agreed by the Council as an accurate record and signed by the Chair of the Parish Council they become a legal document and cannot be changed

To amend the wording of:

Item 4. Public Participation at the meeting of Tuesday 10th September 2024.

Minute 24/09/04

There were no Public Speakers,

To the following:

Proposed by Cllr Cooper and Seconded by Cllr Martin.

In an effort to discourage public participation, members of the public attempting to speak at the meeting were prohibited from doing so, in direct contravention of the provisions of the Town Council's website at the time of the meeting.

The motion was carried

The above motion was omitted from the minutes 10th September 2024

OALC advised the correction above that this information should be attached to the minutes of 10th September 2024

In Attendance: RFO Karen Howe – Taking minutes

Chair of the Meeting: Cllr Banbury

Members of the Public 7

24/10/22 ETC	1. To elect a Mayor/Chairperson Cllr Banbury requested nominations for Mayor. Cllr Grant was nominated by Cllr Poskitt and seconded by Cllr Williams. No other nominations were received. It was agreed unanimously that Cllr Grant would be Mayor of Woodstock Town Council and it was agreed that, due to the Clerk not being in attendance, that Cllr Grant would sign the Declaration of Office once the Clerk returns from leave. Cllr Banbury congratulated Cllr Grant. Cllr Poskitt thanked Cllr Banbury for his hard work and was sorry to see him go. Cllr Grant also thanked Cllr Banbury and said it had been a privilege to work with him.
24/10/23 ETC	Cllr Grant took the Chair 2. Apologies for Absence Apologies for absence received from Cllrs Parnes, Spencer-Churchill, Lancaster, Nethercott and Martin
24/10/24 ETC	3. Declarations of Interests There were no declarations of interest declared
24/10/25 ETC	4. Public Speaking and Question Time Speaker 1 – Thanked Cllr Banbury for his leadership efforts over the last few months and commented that not knowing the reason why Cllr Banbury has stood down as Mayor was unusual. They also commented on members of the public no longer being able to speak at meetings on items not on the agenda and hoped that this could be looked at by the new Council. Cllr Grant responded that the wording on the website was put on in February 2023 but that the current Standing Orders were approved April 2023 and she intends to make a change to the public speaking item to allow the public to address the Council on matters to include items that are not on the agenda. Speaker 2 – Congratulated Cllr Banbury and also asked about when they might receive a reply to the questions they put to the council previously.

24/11/06 WTC	6. Mayor and Clerks Reports (verbal report) a) To receive a report from the Mayor Remembrance Sunday went very well and the weather was kind. I would like to thank all those that attended and request that it is recorded in the minutes my grateful thanks to our Clerk Valentin and Admin assistant Rachel for their hard work. They both worked tirelessly to make the event go smoothly. I would also like to thank Cllr Williams for helping with refreshments and assistance with donning my Mayoral Regalia. I also thank my husband Jim

for helping me on Saturday afternoon to set up the tables, chairs and preparing the Assembly room

The only downside was we were unable to secure a live bugler and had to resort to technical means that was very well administered by Rachel on Sunday and again on Monday at the service at the War Memorial being the 11th of the 11th

However, the good news is that networking went on at the reception and we have two excellent contacts for next year to achieve a live bugler and possible band too.

Cllr Williams will be reporting later on the Town Meeting but just to remind you it is at St Marys Church on Thursday 21st November 2024 starting at 7:00 pm I hope councillors will be able to attend and please spread the word.

b) To receive a report from the Clerk

Item 6.b) from the Agenda:

- Blenheim Palace has confirmed that the Christmas tree will be delivered on Tuesday, 12th November, and will be positioned in the Market Place.
- The Christmas star for the top of the tree is now delivered to the Town Hall.
- Christmas Lights: As retrospectively agreed, five live Christmas trees, each around 7 feet high and fully decorated with lights, will be delivered. We are still finalising logistics with the company. The approximate cost is £4,500.
- Following the engineering recent visit to carry out the annual fire extinguisher service, the engineer has identified that it is required replacement/additional fire safety products. The recommendation has been made in line with British Standard (BS) 5306 Part 3 and British Standard (BS) 5603 Part 8. The total cost is £57.00 +VAT
- 4A Market Street has been vacated. Breckon & Breckon has advised that some redecoration is needed at a cost of £2,250 (non-VAT registered). The Clerk and the Mayor have agreed to proceed with this expenditure in line with current financial regulations (4.1), aiming to limit the loss of rental revenue by ensuring the premises are quickly re-let.

- Item 14.a) from the Agenda:

- Quote for reducing the size of the trees and trimming the canopy in the Lawn Cemetery.

The trees are in the cemetery growing through the hedge row in the middle of the cemetery, to reduce two Limes two Maples and one Cherry and sides to suit, raising the canopies to approximately 3 m above the ground level. Received quote for £1,200 + VAT. Budget: from £75,000 agreed for the information.

- Item 14.b) from the Agenda:

- Budget 15492

**WOODSTOCK TOWN COUNCIL
PROTOCOL FOR PUBLIC PARTICIPATION
AT PARISH COUNCIL MEETING**

Meetings of the Parish Council are not public meetings.

Members of the public have a statutory right to attend meetings of the Council as observers.

Members of the public **have no legal right** to speak unless the Parish Council Chairman authorises them to do so

Members of the public should not be involved in the decision-making of the Council, and the Council should not make any instant decisions at the behest of members of the public.

As a matter of best practice, to enable members of the public to address the council on any subject 'Public Participation' will be kept separate from the debate of the councillors.

Adjournment for Public Participation

For the Agenda item Public Participation, the Mayor/Chair will adjourn the meeting to enable the public to use the allotted time, maximum 15 minutes, 3 minutes per speaker to speak on any subject they wish to bring before the council.

Meeting Reconvened

After the Public Participation allotted time of 15 minutes the meeting will reconvene.

Members of the public are welcome to stay for the Council meeting after the public participation session as observers but will not be able to join in the discussion for the rest of the meeting.

Exclusion from the meeting

Members of the public may be excluded by a resolution of the meeting for specific items which need to be discussed in confidence (e.g. staffing matters, tenders for contracts, some legal issues).

RULES FOR PUBLIC PARTICIPATION:

Members of the Public may address the Council on any subject they so wish during the Public Participation when the Chair has adjourned the meeting and invited them in turn to speak.

It is preferred but not essential that a request to speak should be submitted to the Clerk at least 48 hours before the meeting with the indication of the subject they wish to speak about and when possible a written copy of the points they wish to raise.

Public Participation is not open to debate.

Allotted time

Public Participation shall not exceed 15 minutes unless by special concession of the Chair of the meeting.

The time for each member of the public to speak is limited to 3 minutes.

If more than one member of the public wishes to speak on the same topic, they should nominate one person to speak on their behalf.

This will avoid duplication and make the best use of the time set aside for Public Participation.

Information handouts brought to the meeting should be placed on the table provided to avoid delaying or disrupting the meeting.

Inappropriate question or statement

The Chair has the right to say that any question or statement is inappropriate and not be acceptable and stop the speaker from continuing to speak.

If the speaker ignores the requests of the Chair, they will be asked to leave the meeting, if they refuse to leave the meeting, the Police may be called upon to remove them from the meeting.

Neither Councillors nor the Clerk should respond to comments received by members of the public during public participation. If the topic they are speaking about is an agenda item, it will be debated using the correct process when the item is discussed.

Members of the public do not have a right to force items onto the Council and/or Committee agendas.

Members of the public do not have a right to insist on how matters are recorded in the minutes.

A question raised by a member of the public during Public Participation shall not require a response and there will be no debate or discussion by Councillors. The Chair will direct this.

All person's present will act respectfully towards every other person in attendance. They must not act in a manner that demeans, insults, threatens, or intimidates another person.

All statements, questions, responses, challenges to statements, complaints or criticisms must be made appropriately and politely.

All statements, questions and responses must be related to the facts of the matter and not be personal in nature.

There should be no personal reference made to any person or persons identified at the meeting.

Unacceptable Behaviour

Offensive and/or threatening behaviour will not be tolerated. If a member of the public disrupts the proceedings of any meeting the Council reserves the right to curtail their contribution.

If a member of the public persists in disrupting the meeting after receiving two warnings from the Chair, the third reminder will result in the person(s) causing the disruption to be asked to leave the meeting.

If a member of the public refuses to leave the meeting the Police will be called up to remove them.

<p>25/01/05 WTC</p>	<p>5. Mayor and Clerks Reports</p> <p>a) To receive a report from the Mayor There has been an issue with the promotion of nominated election candidates with regard to the Council be involved with such. This has been corrected as advised by the Returning Officer and the information has been past on to those concerned for clarification. Copies are also circulated to you all at the table for your convenience.</p> <p>b) To receive a report from the Clerk The Clerk informed the Council that to comply with GDPR the Caretaking Staff should have separate telephones and not use their personal ones.</p> <p>Recommendation: <i>To purchase 2 mobile phones, pay as you go at a cost of £150 and free SIM cards for £6 per month, totaling £144 inc VAT, totaling £294 for the first year.</i></p> <p>Decision:</p> <p style="text-align: center;">The Council unanimously agreed this recommendation.</p>
<p>25/01/06 WTC</p>	<p>6. County and District Councillors Reports</p> <p>To receive reports from</p> <p>a) OCC Cllr Andy Graham The Mayor invited Cllr Graham to give an oral report. The report is attached as Appendix 1 to these minutes</p> <p>Cllr Parnes asked about the damaged fence on Shipton Road.</p> <p>Cllr Graham replied that this is been dealt with.</p> <p>The Mayor inform the Council that things had moved on further.</p> <p>The Town Clerk has chased this issue up and now it has been dealt with by the Covenant Management.</p> <p>Cllr Parnes asked if the Council may have an observer role at the stakeholders meeting of the Doctors Surgery in the future.</p> <p>Cllr Graham replied that he will take this further but the people at the table are the once who can make the things happen as that requires specific knowledge and skill as it is a higher level but I take your point as you have said there maybe a way we can do that.</p> <p>Cllr Parnes stated that it was in the news today an article regarding OCC initiative to renovate libraries and there as not mention of Woodstock. Is there any way that we can ensure we can be included?</p> <p>Cllr Graham answered: Yes, I have taken that forward for discussion with officers and I have made the plea for it to be given priority as well as other part of the county, and it is something we deserve as museum as a temporary solution.</p>

b) WODC District Cllr Cooper and Cllr Poskitt report
There were no questions to the District Council
The report is attached as Appendix 2 to these minutes.

c) Walk and Talk Report Chris Grain Engagement Team OCC Highways.
The report is attached as an Appendix 3 to these minutes. The Mayor spoke to this item.

- **Bullet point 3** Market Street Traffic Bollards

Several of these safety bollards needed reseating as they had become dislodged

There is some question as to who is liable for the Market Street Traffic Bollards outside the Woodstock Arms. The Clerk has now provided a map showing this liability lays with OCC

- **Bullet point 4** of the report states:

“**Market Street** areas of missing cobbles, (including other areas in High Street Cllr Graham has reach out to the Highway Scheme and Minor Civils Team to determine the best longer-term solution CG to provide updates”.

Motion:

Proposed by Cllr Grant

Seconded by Cllr Cooper

WTC agrees that: The Clerk write to the Highway Scheme and Minor Civils Team and express their concern regarding the possible removal of cobbles and that they were strongly against this action as Cobbles are part of the historic beauty of Woodstock

Decision:

The Council unanimously agreed the proposal.

- **Bullet point 5** Shipton Road broken fencing

Shipton Road fencing is now being dealt with by the Covenant Management, thanks to the Clerk’s persistence with tracking down liability.

- **Bullet point 7** to note the Marlborough Arms is in Oxford Street not Oxford Road.

To approve and sign the following: a) To approve and sign the Bank Reconciliation and sign the bank statements for the period ending 31st December 2024 (enclosed)</p> <p><i>The Council resolve to approved the Bank Reconciliation 2024 showing a balance of £435,414.41 for the period ending 31st December 2024</i></p> <p>To adhere to Financial Regulation 2.6 the Reconciliation and Bank Statements needed to be signed by another councillor at least once per quarter.</p> <p>Decision:</p> <p>The council unanimously agreed for the Deputy Mayor Cllr Williams to sign these documents. The Deputy Mayor duly signed the documents in line with Financial Regulations.</p> <p>b) To note the Payments, Report December 2024 of £27,611.65, plus VAT of £3,044.85, totaling of £30,656.50 - Noted</p> <p>c) To note the Receipt Report for December 2024 of the total amount of £3,843.43 including VAT – Noted</p> <p>d) To note the Cost Centre Report for December 2024 - Noted</p>
<p>25/01/09 WTC</p>	<p>9. Property Report To receive the January 2025 Property Report</p> <p>Cllr Grant reported Town Hall</p> <p>a) Worn door catches have been replaced before someone get locked in Separate cost.</p> <p>b) Quote for silent closure has been requested. This door slams up and make a tremendous noise which is unfair to our daily bookings’ attendees</p> <p>c) The Assembly Room sash windows need new sash cords for which a separate quote is being sought.</p> <p>d) Grateful thanks to our staff who have had to tolerate the disruption and for the hard work they have put in clearing space for the decorating to take place and returning all the items back afterwards and a special think to Rachel who kindly organised the removal of the wall hangings and their re-hanging. Lastly to the decorators who have gone out of their way to not cause too much disruption of business and for the use of their scaffolding tower.</p> <p>e) Since the administration Office has been completed and thanks to our staff spare carpet tiles</p>

	<p>have been found and fitted where the partition removal left a gap in the carpet tiles.</p> <p>f) New blinds are needed for the 2 Windows and Breckon and Breckon have been asked to source quotes.</p> <p>g) The sound system at the Community Centre is no longer fit for purpose and needs replacing. The system we purchased for the Town Hall cost £399 and it has been suggested we buy similar for the Community Centre. This being under £1000 may be purchased under F R 5.15 Clerk and Mayor/Councillor agreement, are you happy for this purchase to go ahead?</p> <p>Motion:</p> <p style="text-align: center;">Proposed by Cllr Grant Seconded by Cllr Cooper</p> <p><i>WTC agrees that: The Council to purchase of a new sound system for the Community Centre at the cost of approximately £399</i></p> <p>Decision:</p> <p style="text-align: center;">The Council unanimously agreed the proposal.</p>
<p>25/01/10 WTC</p>	<p>10. OWL Report To receive a report on the OWL entrance via Verenia Court</p> <p>OWL Meeting with Verenia Court Management Company 13th December 2024</p> <p>After much investigation the conclusion was that the entrance from the OWL Extension via Verenia Court will be closed.</p> <p>At the time of planning permission, the s106 agreement included a clause regarding the access being kept open for 20 years. This was probably due to the fact that more development was intended on the land we now call the OWL Extension.</p> <p>The developer agreed to hand over the unused land to WTC and the Council paid the transfer fee. The s106 clause regarding the entrance had to be kept open for 20 years still stood.</p> <p>The Council was very keen to accept this land with a view to stop development. Although it maybe thought the land is not large enough for development the other side or the railway bank now known as Boundary Close shows there is potentially a development possibility.</p> <p>The Verenia Court Management Company will be closing the entrance with a strong fence when the weather gets better and will let the Council know it has been done.</p> <p>Steps As the Council are aware the steps are in a very poor state and would benefit from being removed and returned to being the natural bank as this will now be a dead-end with no access.</p> <p>Motion:</p> <p style="text-align: center;">Proposed by Cllr Grant Seconded by Cllr Cooper</p> <p><i>WTC agrees that: Quotes are sort for the necessary works on the steps that are no longer fit for purpose or indeed have no purpose. Erection of Signage to inform people that there is no longer access.</i></p> <p>Decision:</p>

	The Council unanimously agreed the recommendation.
25/01/11 WTC	<p>11. Lawn Cemetery a) To receive quotes for work needed in the Lawn Cemetery Green Lane</p> <p>Decision:</p> <p>The council unanimously agreed to the quote of £12,157.92 including VAT for the necessary works at the Lawn Cemetery</p> <p><i>Budget provision from the agreed Environment Budget from reserves of 24/25 (Environment Projects)</i></p> <p>b) Benches To receive quotes for benches in the Green Lane Cemetery</p> <p>Decision:</p> <p style="text-align: center;">The Council unanimously agreed for this item to be deferred</p>

APPENDIX 1

Report from Cllr Graham – OCC (sent on 13.01.2025)

PARISH ROUND-UP

Woodstock

Doctors Surgery Steering group membership: Callum Miller MP, Blenheim Estates, Doctors Surgery, ICB, WODC, OCC

Update: The first meeting took place on December with all representatives present with Callum Miller agreed chair. The areas of the discussion covered issues raised at the public meeting which led to covering specification, location and funding. The actions of the meeting are covered below in summary.

Actions

- Blenheim will instruct Osmond Tricks on Friday 13th December to start a PID on both Banbury Road and East of Park View sites. This will take 4-5 weeks. Blenheim will pay for this. It will be a joint instruction between Blenheim and the Drs. ICB and WODC will also speak to them.
- Blenheim and the Drs will provide the brief, which will be circulated to all around the table.
- This group will meet again in mid-February to view the proposed PID.
- ICB and the Drs will provide documentation and figures around the population modelling.
- ICB and WODC will discuss a s106 funding figures in terms of what is currently in the kitty and what is forthcoming.
- Blenheim will provide an estimate on the commercial value, other potential usage and where the surgery sits in terms of other uses of the site. Roger is keen to understand from the Councils what their priorities would be in terms of other uses of the site e.g. social care provision. The GPs would also appreciate a sense of what this means for them.

The next meeting will take place in February.

The Feathers

Scaffolding and other associated works will be completed by 31st January and OCC officers have agreed to date and the temporary refrigerator will be removed as a result. An inspection will take place the week after to ensure compliance. This follows my engagement with residents expressing their concerns.

Flooding in Cadogan Park

I attended a meeting with residents and can give assurance that a further investigation will take place next month to diagnose the source of the recurring problem there as well as a cleaning of the drains and jetting is done.

APPENDIX 2

Report of District Councillors for Bladon, Blenheim and Woodstock to Woodstock Town Council Tuesday January 14th 2025

Meetings and actions at WODC have been largely limited to essential things over the Christmas/New Year period. However, as you may have gathered from the national News services in early December, the government plans significant changes to local governance.

Proposed Local government changes. Oxfordshire is in a minority of counties which still have a two tier (District and County) system of local government. A recent government paper will change this and other local government arrangements as well. We quote below from a statement from WODC Communications Department.

In December the Government announced the largest change to local government in over 50 years through the publication of the English Devolution White Paper. This paper included two main elements that will fundamentally change the structure of Local Government.

The first is the creation of 'Strategic Authorities' that would sit above current councils and would receive additional funding and powers to have more control and influence at a regional level. They would be led by an elected mayor.

The second is the proposal to get rid of the current two-tier system of local government where currently some areas, such as Oxfordshire, have two councils, each delivering different services.

In the case of West Oxfordshire residents have the district council that deliver services such as bin collections, planning, homelessness support and parking among many others. The county council delivers other council services such as road maintenance, public health, adult social care or education. Many areas are also covered by parish councils which aren't included in the proposed changes.

In the future model, each area would be covered by a 'unitary authority'. This would mean West Oxfordshire would form part of a larger area that would have all council services delivered by a single council.

The Government have set an ambitious timetable for the reform with changes to council structures and the formation on the new strategic authorities due in the current parliamentary term.

The phasing and timing of changes in specific areas is due to be decided over the coming months. (End of quote)

Details are currently unclear which councils and counties will be linked into which Mayoral administration. In the past West Oxfordshire District has supported the District and County Councils becoming a unitary Council but significant differences between the City Council and the more rural District Councils led to the concept of a unitary Council being abandoned. It is assumed (because of the number of residents) Oxfordshire as whole will form only part of Strategic Area.

Progress, if wished, could be speedy with the government hoping the new administrations will come into existence in 2027. A fast track approach might lead to early allocation of funding which could assist some of the County's infrastructure aspirations. From the District Council point of view, 2027 would seem the obvious time to make the transition as (and we explained this in our last report) earlier decisions by the government were for elections for **all** District Councillors in 2027. There is no immediately obvious Council or area with which Oxfordshire might be linked in order to create a Strategic Area although OCC is exploring interests in nearby Councils.

Whilst all this is unsettling for those in local government, the changes should make local government easier for the average resident to understand. Currently there seem no plans to change Town and Parish Councils but the changes may lead to different ways of working at the very local level. Town and Parish councils might feel the need for more joint working for example in order for their voices to be stronger.

We shall try to keep you informed as the matter progresses.

Social and Affordable housing. The Overview & Scrutiny Committee meets on January 8th and will be discussing social and affordable housing following a presentation from Sovereign, one of the Council's Registered Providers of social rented accommodation. Council is committed to maximising the delivery of truly affordable homes. This accommodation is usually procured through Section 106 planning agreements with developers but this alone does not provide enough social housing for the District's needs although good

negotiation skills by responsible officers can lead to the provision of social rented homes additional to those required in the base policy requirement.

A new Local Plan policy could strengthen the negotiating position with developers to support delivery of social rented accommodation. The Plan will also contain a new policy position on social rent based on robust evidence. In recent years the delivery of social rented accommodation has exceeded the target but previous under-performance has left the average of 260 affordable homes *per annum* just below the Strategic Housing Market Assessment target of 274 *per annum*. Council is also working hard to acquire or develop properties in suitable locations for temporary accommodation and to access land for development of social housing. It is also exploring the options to use some of the land it owns across the District for social housing.

There are currently 78 households requiring temporary accommodation but this figure is very variable and sometimes goes up to almost 100 households. Council is exploring a range of opportunities to increase the temporary accommodation by, for example, bringing empty or disused houses back into use and acquiring or leasing vacant properties. As the majority of those seeking temporary accommodation are single, this may involve converting properties into multiple single bed use. The target is to provide a minimum of 30 additional bedspaces in addition to the current 22 spaces but this will reach no more than the estimated minimum requirement.

Botley West Solar Farm. The Planning Inspectorate has accepted the application “is of a satisfactory standard” for examination. This means that there will now be opportunity for anyone - individuals or groups – to register as an interested party and to express their views. It seems that information about how to do this should be available in early January..... We are told the plans have been considerably modified since the original plans were put forward. Let us wait and see but WTC should register as interested party (if not done already through previous representations) and express its views.

Woodstock Town Council Doctors' Surgery Working Group Report of the meeting held on 6th January 2025

Present

Cllr Williams (chair), Cllr Grant (Mayor), Stan Scott, Ian Hudspeth
Apologies received from Cllr Banbury and Cllr Parnes
Also, present Cllr Poskitt, Delma O'Brien, John Britten, Barry Wheatley

Cllr Williams reported back to the group on actions taken and meetings held since the last Working Group meeting. These were, specifically:

1. An email from Cllr Williams to Calum Miller MP (attached). *
2. An email from the Town Clerk to Dr Broughton, Chief Executive of BOB ICB, and their response (attached).
3. A meeting arranged by Stan Scott between himself, Cllr Williams and Andrew Rein of CPOW, at which Andrew Rein agreed to circulate his mailing list of some 200 members requesting that, if they felt it appropriate, they should send in objections to WODC with regard to 24/02755/FUL (the redevelopment of the old Police Station site).

There was free-ranging discussion between all attendees, out of which the following recommendations to the Town Council were formulated:

1. That the emails from Cllr Williams to Calum Miller MP and the reply received by included in the Town Council minutes;
2. That the Town Council send a Freedom of Information request to BOB ICB asking for all information relating to previous discussions held with regard to the provision of a new GPs' Surgery in Woodstock;
3. That all members of the Town Council write to each of the WODC Uplands Planning Committee individually, stating our objections to 24/02755/FUL;
4. That a member of the Town Council address the WODC Uplands Planning Committee when 24/02755/FUL is on the agenda, to put forward the Town Council's objections to the proposals which have been submitted.

Sarah Williams
8th January 2025

* Since Monday's meeting, Cllr Williams has now received a response from Calum Miller's Head of Office (attached).

<p>25/03/05 WTC</p>	<p>5. Mayor and Clerks Reports</p> <ul style="list-style-type: none"> a) To receive a report from the Mayor <ul style="list-style-type: none"> • Having taken over as Mayor halfway through the year I have had little time to consider raising money for the Mayors Charity which normally happens, however, rather than not do anything at all: On the morning Saturday 29th March 2025 I will be hosting the West Oxon Woodwork Association This Woodwork Club does have members who live in Woodstock and is keen to promote this interesting hobby. They will be displaying and selling their works as well as encouraging new membership. I will be holding a small raffle for the Mayors Charity which will hopefully provide much needed funding for the Woodstock Lunch Club. I would be grateful for your support on the day and if you would like to donate a raffle prize that would be most welcome. • May I remind Cllrs that the Annual Town Meeting is 2 weeks today Tuesday 25th March 2025 starting at 7:30 pm at the Community Centre. I hope you can all make it as it's good to have all Councillors in attendance b) To receive a report from the Clerk <ul style="list-style-type: none"> • Report is attached as Appendix 1 to these minutes
<p>25/03/06 WTC</p>	<p>6. County and District Councillors Reports</p> <p>To receive reports from</p> <ul style="list-style-type: none"> a) OCC Cllr Andy Graham <p>With the Council permission I would like to bring the Drs Surgery item 14 to this part of the Agenda as I feel it is important that our County Councillors is present for this item</p> <p style="text-align: center;">The Council unanimously agreed</p> <p>The Mayor invited OCC Cllr Graham to join them at the table Cllr Williams gave short update on the Drs Surgery Working Group, stating that sadly there was nothing more to report despite desperate effort to extract information. Cllr Graham stated he knew nothing about the WTC Drs Surgery Working Group</p> <p>Cllr Williams said the group was formed to try progressing a much-needed new Drs Surgery but progress had been slow due to the availability of actions being taken by the so called Strategic and Action Group and that WTC had been excluded from the meetings.</p> <p>Cllr Graham informed the Council that at the next Strategic and Action Group which would take place on 27th March 2025 it was expected a footprint of a new surgery with a location and feasibility results and next steps agreed.</p> <p>The footprint would be determined by the ICB in a few weeks' time and a significant hurdle was how a new surgery would be funded.</p>

Blenheim are working on feasibility of two possible locations. One being the Banbury Road site and the other the KID1 Locally known as the Cherwell field next to Park View.

The Banbury Road site would not be in an acceptable position regarding access by public transport but a shuttle bus service was being considered.

Cllr Graham said there is a potential site might be Owen Mumfords in Green Lane that had been purchased by Blenheim.

The Cherwell Local Plan that includes the Cherwell Field has been strongly objected to by WODC for development due to their expressed need for a green space between Park View and the roundabout consideration of the Heritage site and the historical factors that had been uncovered in this field.

There is no provision of finance under the s106 agreement or at least very little, under £50,000. Calum Miller MP for our area chairs the Steering Group and it is hoped that on the 27th March 2025 there will be some movement on both the footprint and funding needs.

The Deputy Mayor pointed out that WTC received no information from the steering group

A member of the public asked why our local district Councillors who deal with planning do not seem to have moved a New Doctors Surgery forward?

Cllr Poskitt remarked she had been working 12 years on this process.

Cllr Parnes raised the point with County Councillor Graham that in council proceedings several weeks earlier he had asked him about the lacked of town council representation, even if only an observer status, at the meetings of the so called stakeholders meetings regarding a new Drs Surgery

Councillor Graham said he considered that the timing for him to do so would be on the meeting of the stakeholders chaired by the MP to be held on the 27th of March 2025

The Mayor asked Cllr Graham

Are you aware that if you go to an evening performance at an Oxford Theater you cannot use public Transport? Performances end at 10:00 pm there is a bus that leaves Oxford at 10:10pm which it is physically impossible to catch and the next bus is at 11:10pm, this means people drive in and this is something that is being discouraged.

Cllr Graham inform the Council that there is some available funding for Buses and he would look into possibly solving this problem

b) WODC District Cllr Cooper and Cllr Poskitt

The Mayor asked about the £86,000 overspend when the budget was balanced. WODC indicated in the report which seemed to come from the shortfall in garden waste and consistent overspend on new bins and boxes for new homes and replacing damaged bins.

Cllr Poskitt replied that WODC had not been able to rent out two of their buildings due to repairs needing doing so no rent had been received

<p>25/04/10 WTC</p>	<p>10. Environmental</p> <p>To receive a report from the EWG and consider the recommendations within</p> <p>1. Recommendations</p> <p>The Council agrees for the Clerk to:</p>																																								

- i) Contact ‘The Wychwood Project’ requesting a quote for them returning to oversee and implement the maintenance of the Water Meadow

The council unanimously agreed this recommendation

- ii) Contact Blenheim Estate to arrange a meeting to discuss the work needed to the banks on the other side of the river that belongs to them.

The council unanimously agreed this recommendation

- iii) Complete the process of getting Local Nature Reserve status for the water meadows to open up access to future support and funding.

Vote: For: 7

Against: 0

Abstained: 1

The recommendation was agreed

- iv) To move forward to identify and obtain quotes for the council to consider appointing an independent hydrologist to advise the working group, as agreed at the last council meeting. (The Council had previously delayed their agreement to seeking quotes for an independent hydrologist until they had received a report from the Environment Agency – having received the Environmental Agency report on 17th March 2025 we now need to move ahead).

Vote: For: 0

Against: 7

Abstained: 1

The recommendation fell

2. Cemeteries

Cllr Grant presented a comprehensive report on the state of the cemeteries and actions that have been undertaken (attached). The only outstanding and overdue action relates to maintenance of the Lawn Cemetery gates. They need rubbing down and oiling on an annual basis.

Recommendation:

The council instructs the Clerk to identify potential contractors to undertake this work and get quotations

The council unanimously agreed this recommendation

3. Under AOB

Cllr Poskitt (non-member of WG) raised the matter of St Mary Magdalene Church only having been recognised as a bronze ECO-church and that one of its shortcomings was its need to communicate more about its “ECO” activities. It was therefore considering a display of their activities.

Recommended:

In due course, the Council to consider take a stall to showcase the work of the council when the church decides to hold an event to promote the matter. Concern was raised that WTC should take care that it did not end up with responsibility for running the event in the future. The wonderful work of the volunteers in the church yard was commended.

The council unanimously agreed this recommendation

To receive a report from the Environmental Agency regarding the visit to the Water Meadows on Monday, 17th March 2025 **Noted**

<p>25/04/12 WTC</p>	<p>Item 6a) moved to here</p> <p>6 a) OCC Cllr Andy Graham Councillor</p> <p>Council Graham reported to the Council</p> <ul style="list-style-type: none"> • Blenheim has started work on the bunding at Eagle Lodge/ Grove Road to hold back the water that runs off the Chalet Park affecting Grove Road. • Banbury Road has had some patch resurfacing. • James Whiting (WODC) who is in charge of parking and looks at the traffic management of Blenheim events will attentively due to the election will pop a date in the diary to look at the Christmas Event in particular as it causes an impact on roads in and around Woodstock. We need to move away from shall we say light of what is happening at the moment and it is not enforced so we have asked Blenheim to actually do a traffic management plan, so we have a clear idea well in advance where in their minds the parking issues are. We then go beyond that and say what are we going to do beyond this and who is going to pay for it going forward • OCC, it has been announced in the last few days that we are number one in the country for recycling, WODC is 16th out of 79 councils which is pretty good anyway although Southam Vale has beaten us to it and they are well ahead. • The Stakeholders New Doctors Surgery for Woodstock held on Thursday 27th March 2025 had been a very positive and productive meeting and the minutes were due to be sent to WTC soon. In 8 weeks', time at the next meeting we should have a very positive conclusion, with a very positive forecast and the actual site should be agreed. There is a Commercial site to be signed off by then and possibly a surgery site to bring the timeline closer <p>Cllr Williams asked if there was a definite date for the meeting in 8 weeks' time.</p> <p>Cllr Graham replied there is a date but I cannot remember it and he will let the Clerk know. The most important thing is that settlement is imminent and you will have far more details than you do tonight.</p> <p>Cllr Williams stated that you have been asked a number of time if someone from the Council could observe have you moved any further with this?</p> <p>Cllr Graham replied that he had taken it to the meeting and the chair of the meeting was going to speak to the Mayor.</p> <p>Cllr Banbury: requested a timetable and responsibilities for the grass cutting in Woodstock that had been promised by you and Cllr Cooper by the end of March.</p> <p>Cllr Graham: suggested he and Cllr Cooper look into this.</p> <p>Cllr Williams: Passageway opposite the Undertakers and new café has been re: cobbled and it horrible and need redoing.</p> <p>Cllr Graham requested a photo of the offending area and he would look into it.</p> <p>The Mayor informed that the trees in the town had started sprouting and look quite green now, which she was pleased about and asked if any further action had been taken regarding eth bus timetable to enable theatre goers from Woodstock to get a bus home.</p> <p>Cllr Graham said he had no update but it was on the list.</p> <p>The Mayor asked Cllr Cooper if he had had chance to speak to WODC with regard the Air Ambulance clothing collection box to be situated in the Hensington Road Car Park.</p> <p>Cllr Cooper replied had had but the person he had spoken to was on holiday and he would look into it.</p>

9. Property Report (enclosed)

To receive a report regarding the Cobbled Area to the rear of the Town Hall.

Motion:

Proposed by Cllr Grant

Seconded by Cllr Williams

WTC agrees that:

- a) *the available area to be covered under license for outside dining be extended as shown on the map to the Cycle Rack area to enable a larger area to be a viable proportion to the licensee.*
- b) *the Clerk approaches the appropriate authority to request the removal of at least 2 of the 6-cycle racks due to them seeming only being used to dump unwanted bicycles (which has cost the Council to have them removed) and the availability of many other cycle racks in the town.*

Cllr Cooper requested an amendment to part **b)** of the motion

That the Cycle racks were not removed.

Cllr Grant the proposer of the motion and Cllr Williams seconded of the motion **did not accept this motion.**

Cllr Williams proposed an amendment that *4 out of 6 of the Cycle racks be removed.*

Cllr Grant accepted this amendment.

The Mayor took the vote in 2 parts.

The Deputy Mayor provided an update to the Council and the audience, after which the matter was opened for discussion. At 7:14 pm, the Mayor apologised, stating that she was feeling unwell, requested the Deputy Mayor to take over, and left the meeting. The Deputy Mayor took over from the Mayor and continued as Chair of the meeting. Recommendation from the Drs' Surgery Working Group <i>That the Council seek and pay for legal advice as to whether we, as a Council, may explore the provision of a new primary care facility on the former Thames Valley Police site.</i> The Council unanimously agreed this recommendation

Recommendation from the Drs' Surgery Working Group

That, should that legal advice be in the affirmative, that Council should explore with Blenheim Estate and, ideally, with the current GP practice, the appointing of a specialist architectural firm to provide a viability study for the provision of a primary care facility on the former Thames Valley Police site.

The Council unanimously agreed this recommendation

At 7:24 pm, the Mayor returned to the Parlour and apologised to everyone, stating that she was feeling unwell and would not remain for the meeting. The Deputy Mayor continued to chair the meeting.

Motion:

Proposed by Cllr Parnes

Seconded by Cllr Connolly

That the Town Council ask of Mr Hughes that he furnish a copy of the report ("report has been submitted which concludes that the police site could not accommodate a GP surgery with room for growth as required by the NHS guidelines"), which he states had been submitted.

Cllr Parnes asked for a named vote

Doctors' Surgery Working Group**

Report of the meeting held on 7th May 2025

Present

Cllr Williams (chair), Cllr Grant (Mayor), Cllr Banbury, Cllr Parnes, Stan Scott, Ian Hudspeth

Also, present Cllr Connelly, Cllr Melliss, Cllr Wheatley

Cllr Williams reported back to the group on actions taken and communications received since the previous meeting. These included a response to our Freedom of Information Request to BOB ICB (attached as Appendix A) and the notes of the meeting of the 'Woodstock Doctors' Surgery Steering Group' chaired by Calum Miller MP (attached as Appendix B).

In view of the fact that McCarthy Stone's planning application for old peoples' flats on the former Thames Valley Police Site on Hensington Road has been refused by WODC, it was felt that the Council should be recommended to take the initiative in exploring whether a new primary care facility could not, in fact, be provided on that site, which is central to the town, with all necessary infrastructure already in place.

It is our view that the siting of a primary care facility in the town centre, and which could be designed and built swiftly, is what Woodstock urgently needs and wants, rather than a major medical centre as part of a new development on the edge of the town and several years away.

We would therefore like to submit the following recommendations to Council for their consideration, each to be voted on separately:

1. That Council seek and pay for legal advice as to whether we, as a Council, may explore the provision of a new primary care facility on the former Thames Valley Police site.
2. That, should that legal advice be in the affirmative, that Council should explore with Blenheim Estate and, ideally, with the current GP practice, the appointing of a specialist architectural firm to provide a viability study for the provision of a primary care facility on the former Thames Valley Police site.

WTC Doctors' Surgery Working Group Meeting 7th May 2025 Report

Freedom of Information Request responses from BOB ICB

- a) Previous interactions between the doctors, developers and BOB ICB re a new Surgery for Woodstock
- b) Criteria applied by BOB ICB in approving/rejecting particular applications

APPROVED

a)

FOI 2016 – Woodstock Oxfordshire General Practitioners’ Surgery

You asked us	We responded with
1. The business plan for a new surgery on the old Thames Valley Police site submitted to Oxfordshire Clinical Commissioning Group in 2016.	BOB ICB does not hold this information
2. The details of the rejection by NHSE of that business plan.	BOB ICB does not hold this information
3. The PID currently under discussion between BOB ICB, Blenheim Estate, and the Woodstock surgery GPs, under the chairmanship of Calum Miller MP.	The ICB has not yet received a PID. As the meeting was held by Callum Miller’s office, we would recommend that you contact Calum Miller’s office for copies of the Meeting Notes. Calum Miller is the MP for Bicester and Woodstock.
4. Details of the criteria you will be applying in your assessment of that PID.	We will assess the size of the proposed new development and apply our prioritisation matrix to assess its priority with reference to other proposed projects. (see the matrix attached) The PID will be assessed for Value for Money. This involves the independent District Valuer assessing if any rental costs are value for money. The ICB will then need to consider if the rental value is affordable within the ICB funding envelope.

Notes of Woodstock Surgery Steering Group Meeting 27th March 2025

Woodstock surgery meeting 27th March 2025

Calum thanked everyone for reconvening and their work since the last meeting. Andy shared a request from the Town Council for a member to attend the group meetings. Calum recalled that the current group was composed of the stakeholders who had responsibilities and/or potential decision-making powers in the development of a new surgery. These stakeholders had been represented at the public meeting convened by the Town Council in November 2024 and asked by the Town Council to develop a proposal. Minutes were being prepared and shared with the Town Council and local residents after each meeting so that they were fully aware of the discussions. All attendees agreed with continuing this approach. Andy shared a request from the Town Council for the Project Initiation Document (PID) to be made public. The meeting agreed that this would not be possible as it was a commercially sensitive document. Non-confidential elements could be included in the minutes.

Calum stated that the purpose of the meeting would be to brief everyone present on the key elements of the draft PID and then to identify the options for funding, clarifying any certainties and uncertainties so that further work can take place before the next meeting which will look to confirm the way forward.

PID briefing

An overview of the draft PID was presented to the meeting. The draft PID has specified that the surgery currently has 9,731 patients with the expectation that this will rise to 12,000 by 2035. The Surgery boundary covers an area of 80 miles² covering Woodstock and 36 surrounding villages. The Surgery currently houses 20 clinical staff and 10 administrative staff. The building is 55 years old with clinical rooms varying in size between 3.9 and 11m² against a modern specification of 16m². It is currently 68% undersized.

The new space detailed in the draft PID is designed to be flexible in design allowing new outreach clinics such as cardiology and ultrasound, a changing places shower & WC and 45 parking spaces. It will also provide sufficient space to enable the surgery to follow 'Care Closer to Home' principles and become a training practice.

The ICB confirmed that there were no surprises in the draft PID however, there was a need to review the proposed gross internal area figure noting that the figure included in the PID was a rough ballpark figure. There is various guidance available to calculate the area. This will be applied to the specification provided by the GPs, whilst allowing for anticipated population growth.

The next step is for the PID to be formally submitted to the ICB for consideration.

Locations

It was questioned whether there was any preference between the locations. It was confirmed that the only difference was that one had planning permission and the other would be being submitted in 2-3 weeks. Both would then need to go through the detailed planning process. The ICB confirmed that there were no issues in terms of the fact that one site is in Cherwell and the other in WODC.

Roger stated that he was aware of the rumours circulating around the potential purchase of the Owen Mumford site. He hoped to be able to comment publicly by the end of April. There was a meeting on 26th March to determine whether the Cherwell Local Plan could now go through to the next stage of the process, but the outcome was not yet known.

In response to a question on whether the Hill Rise site might be another option, it was confirmed that the access roads were already in at Hill Rise and substantial work would commence within the month so it would not be possible to amend the plans there.

Planning timeline: ICB to consider PID and take decision on funding.

All parties to ensure that financial model is viable.

Subject to this

Blenheim to work up detailed planning applications (6 months) Planning process with Cherwell / WODC (13 weeks – 3 years; allow 6 months)

Surgery to be brought forward to start of development and built (1 year)

The opinion was that both sites could be worked to be comparable in terms of time. It was agreed that we await an update on the local plan so will therefore consider final location at the next meeting.

Funding

The ICB has responsibility for contributing to the accommodation cost that the GPs pay. The level of this is set by the district valuer. ICB can only fund the primary medical care service element - anything in addition to this will require additional funding. The district valuer will determine value for money and the ICB then will need to consider affordability.

The typical structure is for the GPs to take out a long lease with the ICB providing reimbursement for the primary medical care service space. The variables involved are landowner ownership / valuation, build costs, post build property ownership and ongoing future income. However, there are other options such as Blenheim selling the land to allow someone else to come in and build / manage the premises or another party taking a capital stake in the building. The ICB confirmed these funding models but stated that it was increasingly difficult to locate third party investors due to the uncertain return on investment. As the rental value is determined by the district valuer, there is often a big gap between current valuations and actual costs. Rising building costs and BREEAM requirements are not helping bridge the gap. S106 funding could help to offset the capital investment making the rental value less. It was confirmed that s106 funding could be spent in a different council area because it is allocated by councils to the ICB as long as it was to meet the needs of the new population as a result of housing developments.

It was agreed that a full independent financial viability assessment was required to market-test the figures and look to deliver the surgery as efficiently as possible. Blenheim suggested that any shortfall could be funded by reductions in affordable housing or reductions in other s106 contributions. It was questioned whether there was also an option to look at the margins around density or building type. This is governed by the housing mix specified by the Councils so could, potentially, be a variable.

Revenue is either supplied 100% from the ICB or from the ICB plus others. The GPs confirmed that they did not want to have anything else on site other than a health centre. It was stated that whilst this worked well in cities, there was less scope in rural communities where it was rare to find a practice being subsidised by other activities.

Calum thanked everyone for their shared commitment to moving the project forward.

New Drs' Surgery/ Thames Valley Police Station Site

Due to Cllr Williams needing to leave the meeting as feeling unwell Cllr Grant presented this item

Cllr Grant asked the council to agree to amend f) and g)

f) from the Distance from the town center will have a negative impact of the Town's economy to read

f) Siting a new surgery on either of the two alternative sites far from the town centre will have a negative impact on the Town's economy;

g) *It is not what the Town was expecting to read*

g) *The two suggested alternative sites are not what the town was expecting as Blenheim Estate had stated that the purpose of their purchasing the TVP site was for consideration of the provision of a new surgery, and for many years they allowed the belief that this was to be the intended use.*

The Council agreed the suggested amendments

Originally Motions 1 and 2 were proposed by Cllr Williams and seconded by Cllr Grant. Due to Cllr Williams leaving the meeting unwell Cllr Grant proposed the motions and Cllr Addis seconded

1. Motion:

Proposed by Cllr Grant

Seconded by Cllr Addis

Woodstock Town Council agrees that the preferred site for a new Doctors' Surgery is the old Thames Valley Police site in Hensington Road for the following reasons:

- a) *It was purchased by Blenheim for consideration of the provision of a new Doctors' Surgery;*
- b) *The utilities are already in place, aiding a much quicker delivery of a much-needed facility;*
- c) *It is in walking distance for many;*
- d) *The site is already on a bus route to accommodate the 60% of patients living outside the Town;*
- e) *It is in a much better position with regards to security;*
- f) *Siting a new surgery on either of the two alternative sites far from the town centre will have a negative impact on the Town's economy;*
- g) *The two suggested alternative sites are not what the town was expecting as Blenheim Estate had stated that the purpose of their purchasing the TVP site was for consideration of the provision of a new surgery, and for many years they allowed the belief that this was to be the intended use.*

The Council unanimously agreed to the amended motion

2. Motion:

Proposed by Cllr Grant

Seconded by Cllr Addis

- a) *WTC is not in favour of plans for a new building outside the town centre, far from bus routes, and unlikely to be built for 5 to 15 years;*
- b) *WTC states its profound disappointment with the way in which the 'Stakeholders' Steering Group' has been set up and run, taking no account of the views of the Town Council or those of the residents of Woodstock and the surrounding villages served by the present surgery.*

The Council unanimously agreed this motion

The Mayor asked the Council to agreed that:

Cllr Williams and Cllr Grant with the Clerk drafted a letter to convey the 2 motions to the residents of Woodstock, to be printed and delivered to all household

The Council unanimously agreed this request

The Council had no objection to this application</p> <p>h) App: 25/01834/HHD Location: 29 Oxford Road Woodstock Oxfordshire Description: Erection of single and two storey rear extensions</p> <p>The Council agreed to object to this application as an over development of the site, overbearing, a change to the Character and concern over the effect on the mature trees</p> <p>i) Important Survey regarding Neighbourhood Planning – ONPA The Council agreed that:</p> <ul style="list-style-type: none"> • As it is understood, Cherwell District Council sets in their budget available funding for Neighbourhood Plans • The Council asked Cllr Cooper (WODC Councillor for Woodstock and Bladon) that he put this forward to WODC for their Budget setting for 26/27 in February 2026, to include the provision of funding for Neighbourhood Plans • Councillor Cooper agreed he would do this <p>The Neighborhood Plan Survey to be completed by the Environment Working Group at the their next meeting and submitted by Cllr Wheatley</p> <p>j) Licensing App: W/25/00831/STC Location: Application for Street Trading Consent - Market Place, Woodstock (Woodstock Live Event) The Council had no objecting to this application</p> <p>k) Licensing App: W/25/00789/PRMA Location: The Topsy Palace 1-3 Market Place Woodstock Oxfordshire OX20 1SY The Council had no objecting to this application</p> <p>l) App: 25/00074/HHD Location: 10 Hensington Close To note Appeal allowed</p> <p style="text-align: center;">Noted</p>
<p>25/08/05 ETC</p>	<p>Mayor and Clerks Reports</p> <p>a) To receive an oral report from the Mayor</p> <p>I would like to thank everyone involved in the distribution of the Drs Surgery letter. We have had a good number of positive responses.</p> <p>Many thanks to our 2 members of staff that carried the old folding tables down to the hallway and thanks to my husband Jim and Cllr Szabados who helped me collect them from the Town Hall for disposal. The tables that were in a very poor state have been disposed of and those that were in a fair condition have been found new homes. The new replacement tables have been received.</p>

	<p>Cllr Cooper would like to give us an update on the Feathers flag application so I will now hand over to him.</p> <p>Cllr Cooper reported that the WODC had refused permission for the flags poles on the Feathers Hotel due them being to large, to long and concern for the stress this would put on the building</p> <p>The Mayor thanked Cllr Cooper The Council agreed for the Clerk to arrange a meeting with Calum Miller MP, together with Cllr Poskitt, Cooper, Williams and Grant.</p>
<p>25/08/06 ETC</p>	<p>New Drs Surgery</p> <p>a) To receive an update from Cllr Williams Cllr Williams gave and oral report, copy attached as an appendix to these minutes There were no questions from Councillors</p> <p>b) To discuss and agree any action regarding a letter received giving notification of intension for an appeal against the WODC refusal of planning for flats on the TVP site Hensington Road</p> <p>The letter from The Planning Bureau Ltd (owned by McCarthy Stone) received by those who and objected to the original McCarthy Stone Planning application to build flats on the TVP was to inform them of a possible application of appeal though this had not been registered to date. The object of the letter seems to be a wish to gather comments in readiness for the appeal application which maybe of some advantage to them.</p> <p>The changes indicted in the letter to the actual planning application are very minimal and it was agreed this made no difference to the council's opinion. The Mayor stated that Councillors need to be ready to object to the appeal and possibly delegate a Cllr to speak at the hearing.</p>
<p>25/08/07 ETC</p>	<p>Land South of Perdiswell Farm 25/01515/OUT</p> <p>To receive a report from Cllr Connolly regarding the education provision included in the application. Mayor and Clerks Reports

a) To receive an oral report from the Mayor

The Mayor announced a Date for your Diary. On Saturday 22nd November there will be another Woodcraft Sale together with a Raffle for the Mayors Charity proceeds to go to The Woodstock Lunch Club Donations of Raffle Prizes would be gratefully appreciated as would call attendance on the day.

b) To receive a report from the Clerk

i. Former Cllr Melliss:

I would like to bring to your attention that former Cllr Mr Melliss submitted a report on disabled access in the Town Hall, which he wished to be included as a motion for this meeting. The report-motion was not rejected by me; rather, I requested that it be postponed to allow time to review all technical specifications, rules, and regulations, and to ensure that accurate information is provided to the Council for discussion. The annual H&S report shows no issues with disabled access in the Town Hall.

ii. A Quote for the stairlift:

The disabled stairlift must be inspected by an authorised company twice per year, in accordance with Health & Safety Regulations. We found only one company that can service the stairlift twice per year under a three-year contract, at a total cost of £4,617.00 including VAT. A hard copy of the quote is provided for your reference.

Recommendation from the Clerk: Council to approve this quote of £4,617.00 including VAT.

The Council unanimously agreed this recommendation

iii. A Quote for removing the old boiler from the cellar:

The old boiler in the basement contains asbestos and is quite heavy. We have attempted to obtain multiple quotes for its safe removal and disposal but have only been able to secure one. We have identified a company capable of removing the boiler from the basement via the stairwell using a heavy-duty powered stair climber, ensuring the asbestos is not disturbed, and disposing of it safely. A hard copy of the quote is provided for your reference.

Recommendation from the Clerk: Council to approve this quote of £1,180 + VAT.

The Council unanimously agreed this recommendation

iv. Property:

- ◆ The £4,200 deposit for the commercial residents at 6 Park Street has been refunded. The property is now vacant, and the Council Property Agent is in the process of searching for a new tenant.

- ◆ 2 Park Street (Post Office) – A roof leak has been reported to Breckon & Breckon. Additional issues with the building have also been identified, and Breckon & Breckon have been instructed to obtain quotes for assessment and repair. Further information and quotes will be presented at the Council meeting in October.

v. Accessibility Statement:

As part of WCAG 2.2 compliance for this year's audit, we need to ensure our Accessibility Statement is up to date. The current statement on the website is dated 1st September 2020. Following guidance from the company that manages and supports our website, the Accessibility Statement has now been updated.

vi. Quotes for Internal Audit:

Based on the detailed scope of work provided by the companies, the Clerk recommend Company B. The company offers a contract for 1,2 and 3 years.

The Council unanimously agreed to appoint Company B to conduct the internal audit for one year at the cost of £660 plus milage and instructed the Clerk to ask if a discount is available for a longer-term agreement.

	<p>vii. War Memorial: Based on the detailed scope of work and the total price including VAT, the Clerk recommend Company A. The Council unanimously agreed to appoint Company B to clean the War Memorial at a cost of £583.33 +VAT</p> <p>viii. Xmas Trees: 12ft trees ordered from BP for the price of £165 each</p> <p>The company's names awarded the contracts can be acquired from the Town Clerk's Office</p>
<p>25/09/06 WTC</p>	<p>County and District Councillors Reports To receive reports from</p> <p>a) OCC Cllr Andy Graham Cllr Graham gave an oral report</p> <ul style="list-style-type: none"> • Reminded the Council of the Councillor Priority Fund and that he had given a grant to Wootton Woodstock residents who are raising funds for a Bus Shelter. • He would also support Woodstock if they decided installing a new bus shelter or perhaps speed indicator signs with his priority fund. • The Cabinet will be discussing the Oxford City congestion charge in the next week and for 2 month the Park and Ride busses would be free taking this over the Christmas period. • He would look into the repair of the Cobbled area to the side of the Town Hall in Market Street and High Street as it had been 6 months since he had reported it to the Office and asked the Mayor to remind him by email of this urgent need and send photos if possible . • Announced that the 2 sites for the Drs' Surgery are the Banbury Road Development site and the Owen Mumford Site. He said we are the closest we've been and there would be a public report at the end of the month and although we may need a new surgery yesterday it is likely to be 2028 when this is actually made available. <p>The Mayor remarked that there would need a lot of thought with regard to traffic access on both sites and asked if Councillors had any questions for Cllr Graham.</p> <p>Cllr Williams: Were it to be either of these sites, how about the transport issue?</p> <p>Cllr Graham replied: That is being considered as it is an important issue.</p> <p>Cllr Connolly asked why the Owen Mumford site had been not mention for sometimes and was now back on the table.</p> <p>Cllr Graham replied: There had been some commercial sensitivity over this site which had now been resolved and therefore was now under consideration as a possible site for a new Drs' Surgery.</p> <p>Cllr Connolly asked: If the request for a meeting with the OCC Education Officer with regard to the education facilities not be adequate with the number of homes planned for Woodstock.</p> <p>Cllr Graham replied that he will look at into this.</p> <p>Cllr Grant informed Cllr Graham of Flooding troubles in Brook Hill The clearing of the gullies in Brook Hill, which has not been completed as I have already alerted you to this with Photographs.</p> <p>The gullies were so full that they have only disturbed the silt, that has tracked down to 32 Brook Hill. The torrential rain pour over the last few days has been a great concern to this resident. Returning home one evening last week in the dark the owner of 32 Brook Hill stepped out of his car into water coming over his shoes to his ankles nearing entry to his garage and house.</p> <p>You may or may not be aware of the runoff stream opposite their dwelling but it would seem this is where the problem really lays caused by the blockage of the pipe that runs from the drain outside 32 Brook under the road to the stream (that should be a stream). The blockage is caused by garden waste over the years being dumped in the stream arising to the bottom of the stream being higher that the takeaway pipe and the pipe being blocked.</p> <p>Cllr Graham asked Cllr Grant to email him with this problem and he would carry it forward Cllr Grant said that she would</p>

APPENDIX 1

Woodstock Town Council New Doctors' Surgery Working Group Meeting 18th August 2025 Notes for Oral Report from Cllr Sarah Williams, Deputy Mayor

In attendance: Cllrs Ann Grant (Mayor), Cllr Williams (Deputy Mayor & WG Chair), Cllr Julian Cooper, Cllr Maurice Connolly, Ms. Delma O'Brien, Mr. Andrew Rein, Mr Stan Scott

The Group was informed that the full results from the responses to the Council Newsletter about the new Doctors' Surgery would not be available until after the Clerk's return to work on 26th August. However, responses so far have been overwhelmingly in support of Council's position, with only two responses expressing some reservations as to costs and feasibility.

Discussions were held on:

- The 2022 Osmond Tricks Consultants report included in the McCarthy Stone refused 2024 planning application Supplementary Documents (Appendix 6 pp 89-98)
- The Planning Bureau letter sent to objectors to the McCarthy Stone 2024 planning application
- The potential appeal against the refusal of their planning application by McCarthy Stone and how Council should respond
- Why Blenheim Estate were working with McCarthy Stone in regard to this site, whereas all other developments were going forward through Pye Homes
- The extent of the existing catchment area for the Woodstock Surgery

It was agreed that:

- The results of the responses to the Council's Newsletter would be disseminated as soon as possible on the WTC website and noticeboards and to all the neighboring villages
- The Clerk would be asked to seek a quotation from architects Corstorphine & Wright for the cost of a feasibility study of the potential of the TVP site for a new doctors' surgery
- The Clerk would be asked to arrange a meeting between the Mayor and Deputy Mayor, Cllrs Julian Cooper and Elizabeth Poskitt, and Calum Miller MP to seek to resolve the current disconnect between the Town's wishes and his Stakeholders Steering Group's position
- The Clerk would be asked to arrange a meeting between the Mayor, the Deputy Mayor and the members on the Stakeholders Steering Group representing BOB ICB
- The Mayor and Deputy Mayor would research the detailed grounds for refusal of the McCarthy Stone planning application in order inform Council of their findings
- Residents would be informed that the Planning Bureau letter sent to objectors to the McCarthy Stone planning application was sent on behalf of McCarthy Stone, who own The Planning Bureau, in order to get a review of objections before potentially launching an appeal. It was also felt worthwhile informing residents that McCarthy Stone are currently under investigation by the Parliamentary Housing Committee
- The Deputy Mayor and experienced specialist Delma O'Brien would formulate a series of press releases about the current situation with the new doctors' surgery to be brought back to Council for approval and, if deemed appropriate, subsequent dissemination to the media

<p>25/09/16 ETC</p>	<p>Apologies for Absence The Mayor</p> <p>Before we go on to take apologies for absence, I am sad to announce the resignation of former Councillor Szabados. He was a very keen helpful and kind Councillor. He has said that I can share with you all the reason for his resignation.</p> <p><i>Dear Council Members and Valentin,</i></p> <p><i>I'm writing to formally resign from my position on the Woodstock Town Council.</i></p> <p><i>This wasn't an easy decision, but after some reflection, I've realized that I'm not currently able to give the role the time and energy it deserves.</i></p> <p><i>Over the past six months, I've really valued the opportunity to learn, contribute, and see first-hand how much hard work goes into keeping things moving behind the scenes. It's been a great experience, and I'm grateful to have been part of a group that genuinely cares about our Town and its future.</i></p> <p><i>That said, between a demanding full-time job, running my own business, and the desire to spend more quality time with my family, I've found it increasingly difficult to balance everything. Rather than stay on and not be able to fully commit, I think it's best to step aside and make room for someone who can give 100%.</i></p> <p><i>Thank you again for the chance to be part of this. I appreciate all the support and collaboration, and I wish you all the best moving forward!</i></p> <p>I'm sure we have already missed him, I certainly have especially his lovely smile that cheered us all up</p> <p>Cllr Banbury asked that the Council thank former Cllr Szabados for all his hard work whilst on the Council and perhaps in the future when he may be less busy he considers standing again. This was unanimously agreed</p> <p>Apologies for absence were received from Cllrs Parnes and Spencer-Churchill.</p>

Mayor and Clerks Report

a) To receive an oral report from the Mayor

The External and Internal Auditor had recommended the Council carry out Internal Control. This is not mandatory but good practice. This will be controlled by a timetable from the Clerk calling in 2 different Councillors each time via email to agree a specific area of Internal Control.

b) To receive an oral report from the Clerk

- The Annual Tree Survey is being carried out by Dowdeswell, as last year, and a report will be provided when it is ready
- The RoSPA Service has been arranged for this year; we are awaiting their visit date and subsequent report.
- WODC has secured some extra funding to help improve the local towns and villages. As part of this, WODC is looking at simple and practical ways to make public spaces more attractive and easier to use. One idea is to install wheelie bin stores and cigarette butt containers. These would help tidy up areas where bins are left on pavements or in busy spots, and where cigarette ends often collect. The aim is to:
 - Make high streets and shopping areas look better
 - Keep pavements clearer and safer
 - Create a cleaner, more welcoming place for everyone

The funding is limited, so WODC may not be able to meet every request. However, WTC views will help them decide where these changes could make the biggest difference. WODC would be

Woodstock Town Council New Doctors' Surgery Working Group Meeting 18th August 2025 Notes for Oral Report from Cllr Sarah Williams, Deputy Mayor

In attendance: Cllrs Ann Grant (Mayor), Cllr Williams (Deputy Mayor & WG Chair), Cllr Julian Cooper, Cllr Maurice Connolly, Ms. Delma O'Brien, Mr. Andrew Rein, Mr Stan Scott

The Group was informed that the full results from the responses to the Council Newsletter about the new Doctors' Surgery would not be available until after the Clerk's return to work on 26th August. However, responses so far have been overwhelmingly in support of Council's position, with only two responses expressing some reservations as to costs and feasibility.

Discussions were held on:

- The 2022 Osmond Tricks Consultants report included in the McCarthy Stone refused 2024 planning application Supplementary Documents (Appendix 6 pp 89-98)
- The Planning Bureau letter sent to objectors to the McCarthy Stone 2024 planning application
- The potential appeal against the refusal of their planning application by McCarthy Stone and how Council should respond
- Why Blenheim Estate were working with McCarthy Stone in regard to this site, whereas all other developments were going forward through Pye Homes
- The extent of the existing catchment area for the Woodstock Surgery

It was agreed that:

- The results of the responses to the Council's Newsletter would be disseminated as soon as possible on the WTC website and noticeboards and to all the neighboring villages
- The Clerk would be asked to seek a quotation from architects Corstorphine & Wright for the cost of a feasibility study of the potential of the TVP site for a new doctors' surgery
- The Clerk would be asked to arrange a meeting between the Mayor and Deputy Mayor, Cllrs Julian Cooper and Elizabeth Poskitt, and Calum Miller MP to seek to resolve the current disconnect between the Town's wishes and his Stakeholders Steering Group's position
- The Clerk would be asked to arrange a meeting between the Mayor, the Deputy Mayor and the members on the Stakeholders Steering Group representing BOB ICB
- The Mayor and Deputy Mayor would research the detailed grounds for refusal of the McCarthy Stone planning application in order to inform Council of their findings
- Residents would be informed that the Planning Bureau letter sent to objectors to the McCarthy Stone planning application was sent on behalf of McCarthy Stone, who own The Planning Bureau, in order to get a review of objections before potentially launching an appeal. It was also felt worthwhile informing residents that McCarthy Stone are currently under investigation by the Parliamentary Housing Committee
- The Deputy Mayor and experienced specialist Delma O'Brien would formulate a series of press releases about the current situation with the new doctors' surgery to be brought back to Council for approval and, if deemed appropriate, subsequent dissemination to the media

Mayor and Clerks Reports</p> <p>a) To receive an oral report from the Mayor</p> <p>I would like to thank all who attended on Remembrance Sunday and our staff that worked tirelessly to make the day go smoothly. Our new Caretaker Hannah was in The Town Hall on Sunday from 5.30 am ensuring all was spick and span, which it certainly was. They all worked very hard to ensuring that there were no parked vehicles in front of the War Memorial, placing Road Closure signs and putting the Speaker system in place and afterwards, collecting everything back in again at the end of the Parade returning to the Town Hall to help with the reception and clearing up afterwards.</p> <p>Grateful thanks to Eloise of EP Catering for the splendid refreshments and grateful thank to Tom our Trumpeters for playing the Last Post and Reveille so splendidly lovely feedback form this has been received. Thanks also to Reverend Sarah Bourne who work with the Council (which incidentally we started in January) ensuring the event was presented in the way it should be. Thank you also Sarah for the lovely Church Service I have had so much feedback as to how beautiful it was, with attendance of least 200 people.</p> <p>b) To receive a report from the Clerk</p> <ul style="list-style-type: none"> • Missing approved minutes on the Website. <p>It was brought to my attention that the approved Council minutes listed below were not uploaded to the WTC website, despite hard copies being available in our records. Mayor and Clerks Reports

- a) To receive an oral report from the Mayor

The Town Meeting on Thursday evening (4th December 2025) regarding the closure of Woodstock Fire Station was very informative and conclusive as to residents' support for our local firefighters and the need for retaining our local station.

The valuation morning on Saturday with Charles Hanson Auctioneer was very interesting and great fun. He kindly valued some of the Council's Treasure too.

Just to remind you all, the Mayor and Councillors' Carols are on Saturday 13th December 2025 at 6pm. If Councillors could arrive at the Town Hall around 4.30 pm to help set up and go round with the collection for the Lunch Club. Mr. Nick Tonks has kindly sponsored the Mulled Wine and Mince Pies and will be attending to serve which I'm sure we all very much appreciate. The Rector will be present to give a Christmas Blessing. Some Primary School Children are coming to sing for us and we have the Brass Band so weather being kind it should be a lovely seasonal event which hasn't happened since 2019.

I give special thanks our Staff who amongst all their other work have supported me with all events.

- b) To receive a report from the Clerk

• **Boiler Issue – Town Hall**

The boiler in the Town Hall has been repeatedly failing and is currently not functioning properly. An engineer attended and identified problems with the system's water pressure and with the water tank located in the loft. These issues require further investigation to confirm the full extent of the faults.

The company responsible for servicing the boiler will provide a detailed quote for the necessary repairs once their assessment is complete.

• **Fire Door Survey**

As part of the Fire Risk Assessment, the Fire Doors at the Town Hall require assessment, maintenance, and possible repair. The necessary work has been identified at a cost of £690 excluding VAT. This urgent work has been approved by the Clerk and the Mayor in accordance with the Financial Regulations. The full scope of work can be obtained from the Office of the Town Clerk.

• **Cherwell Local Plan**

The provisional dates for the first week of Hearing Sessions of the Examination of the Cherwell Local Plan, are now confirmed. The first week of hearing sessions will take place over four days opening at 10.00 am on Tuesday 17th February 2026. The venue for these hearings is the Council Chamber, Cherwell District Council, 39 Castle Quay, Banbury, Oxfordshire, OX16 5FD

Key dates for the Examination:-

- Deadline to confirm if you wish to exercise your right to be heard at the week 1 hearing sessions, if you made a relevant representation seeking a change to the Plan, indicating the appropriate Matter and Hearing Session - 5.00 pm Monday 22 December 2025.
- Deadline for Hearing Statements: 5.00 pm Monday 19th January 2026
- Opening of the Hearings: 10.00 am Tuesday 17th February 2026.

Cllr Parnes reminded Cllr they can also make presentation individually.

County and District Councillors' Reports

To receive oral reports from:

- a) OCC Cllr Andy Graham

Cllr Graham reported on

- The Cherwell District Plan hearing and he would certainly attend and convey the concerns as he thought it is ill thought out and advised WTC they may like to consider the objections from WODC which may help WTC with their presentation
- Re-opening of Campsfield House Langford Lane Kidlington (this is a Government directive) and had requested that WTC be kept up to date with this process

The Mayor confirmed WTC had received updates

Today at County Council it was agreed by 62 votes to 2 to agree to put forward the devolution, expression of interest on the joint Mayoral Authority so that Berkshire and Oxfordshire come together for that body and it is important to get that in because of the potential investment which will be of benefit to everyone in Oxfordshire and Berkshire as well as insuring of investments being detached from Government it goes through to that Mayoral Authority which is represented by leaders of Councils and means that strategic decision a lack of joined up thinking on infrastructure and issues of that nature means it comes down to another level. It may not come down as far as we might want it to but at least is in the right direction

- At the Doctors Steering Group meeting the key site for the Doctors' Surgery has the Owen Mumford site subject to feasibility and funding was still being negotiated and was waiting for the District Valuation Officer's consideration and would be made in January. He had undertaken to conduct a feasibility study of rural transport with the issue of transport from the surrounding villages and from the Town itself. It is important that if the site, funding and planning is agreed it is essential that the transport issues are looked at prior to this
- Cadogan Park, he has been working with the residents a considerable amount of time, you will remember that were a lot of complaints about Blenheim Events and particularly the Christmas Events which were impacting on that area particularly. At the moment there have been some arrangements but they are not enforceable but they look enforceable but at the moment it does state there is no parking and it seems to be working. If this proves not to work then there is another set of proposals that will come forward if this not the case. The other thing is about the parking generally down there, there are some public safety issues, particularly in Princes Ride and onto Flemings Road, bends around there are very dangerous people are parking on those corners and it makes it very difficult to navigate, the bus going round there overtaking parked cars on a bend is just not acceptable and a consultation that was done with the residents there is a scheme that is coming forward in January 2026 as a result of that. It's not going to be everything for everyone but the most important thing is that if you address some of the public safety issues and is overall an improvement, he was all for it, but having said that let's not get complacent because there may still be issues that we may need to look at again. He thought it was progress.

Cllr Grant: I know you said to me that you had seen the letter WTC are going to talk about later, and you mentioned just now public safety issues, most of Brook Hill has not got a footpath and neither has Green Lane it's a public hazard with all the cars that park there

Cllr Grant informed **Cllr Graham** that there was a member of the public in the audience wanted to ask a question. Are you happy to take the question?

Cllr Graham agreed to accommodate the question but mentioned he had no had prior notice

Question to Cllr Graham from a member of the public

I am confused, I came to hear condemnation of the plan to close Woodstock Fire station and all I've heard is about the meting the other evening. This will impact on the whole town, and town is horrified about the prospect of Firefighters having to come many miles to fires accidents and floods in this area. You would have known about this plan for some time I guess as a County Councillor and I guess there are not many details that you don't already know, I wonder how many more details you need to know before you represent us and strongly oppose the proposal.

Reply from Cllr Graham: Firstly I didn't know all the details you supposed I did. There has always been talk about the Fire Station/ Service but the actual remodelling of the Fire Service overall across the County, I actually didn't know about what has actually been happening but when I did get to know about it, I have looked at some of the details and I have found there are elements of it that are missing.

An update today, I met with Fire Brigade Union who were at County Hall and looking at where do we go from here, there are bits of data that have been challenged, there are bits of information there seems to have been lack of real engagement shall we say, with the Fire Brigade Union.

With my small amount of influence, I have suggested that perhaps once consultation is over that the Fire Brigade Union have an engagement with the chief Fire Officer over the missing elements because that needs to be addressed before a decision is made, it is not me that makes the decision, I hope this will be helpful but at the end of the day it is about remodelling the Service, the Fire Brigade and Chief Fire Officer are in agreement with that, but what it is and how it is, needs to be carefully thought through and I think it needs reflection of what has been put out there and therefore adjustments and I have heard from the County Councillor that does make that decision and it has been said very clearly today, it could well be that the proposals will be changed and modified when that is taken into account. So let's wait and see, the process is there, that's the update and thank you for reminding me.

Cllr Connolly said he felt annoyed that it was only now that the Owen Mumford Site had been mentioned as the favoured site, we have heard a lot of noise from the Steering Group a lot of about other suggested site but the Owen Mumford site had not been mentioned. He said he actually asked Calum Miller MP in April about the Owen Mumford site and he said that the OM site wasn't even on the short list at this stage. He would just like to point this out.

Cllr Parnes, thanked **Cllr Graham** for the update on the reopening of Campsfield House and making sure the update from the Home Office reaches WTC. In the information given it states this will not impact on the Nation Health service. I cannot be sure how this can be true, as the budgets are so limited it is going to be another element that is competing for funds if you would be able to clarify this or perhaps something the WTC should follow up it would be welcome.

One other thing is regarding the Fire Station consultation is whether you would accept the actual Consultation document is fundamentally flawed. The assumptions and calculations that it offers for consideration don't show the Data sets nor the basis and it states external entities considered it but we don't even know who they are and how they have gone about their conclusion. The main duty of any Council going about a consultation is to ensure people have enough information to make some kind of informed opinion and this is really lacking here and I was really just about to submit a formal complaint to the County Council tomorrow regard there not being enough information.

Cllr Graham: It's a good point you raise and I think it should be dealt with. I think you should raise this issue and if you copy me in I will follow it up. The Chief Fire Officer issued a paper yesterday that clears up some of the misconceptions which does clarify things but I'm never satisfied just on that alone, I want to be absolutely 100 % sure as to get this right is so important for safety and if the Data isn't correct then why was this put out but if it is correct then please let us have an understanding of it.

Cllr Graham left the meeting at this point

b) WODC District Cllr Cooper and Cllr Poskitt

The Council received a written report from the District Councillors

Cllr Cooper asked if there were any questions

Cllr Grant asked with regard to the final item Fire Stations motion on the paper and the indication stating

We can discuss the outcome (there may be amendments) of this motion at WTC meeting and should the Council discuss amendments

Cllr Poskitt said no this has been superseded by the item being referred to the Scrutiny Committee.

Cllr Parnes asked if the Scrutiny Committee conclusion would then go to full WODC Council for decision.

Cllr Cooper said no as the Scrutiny Committee had been awarded delegated power.

APPENDIX 1

Woodstock Town Council (“Budget” meeting) of 25 Nov 2025
Report by Cllr Sharone Parnes

Perceived Potential Flaws of OCC Parking Restrictions Consultation Survey

Oxfordshire County Council (OCC) has launched a consultation survey (available online since 13 Nov 2025, 06:08 AM at https://letstalk.oxfordshire.gov.uk/woodstock_cadoganpark_parking2025) .

The opening page online states “Please read the detailed information provided on this consultation, and take the time to complete the survey as your views and opinions matter. Your response should be completed and returned by **5pm on Friday 12 December 2025.**” The survey is titled "Woodstock: Cadogan Park - proposed parking restrictions".

Early review of the draft documents highlights several potential weaknesses and possible fundamental flaws in the consultation:

- The **Statement of Reasons** is minimal, citing only resident complaints and asserting safety improvements, without evidence, consideration of alternatives, or assessment of likely effects or causes, whether displacement from the most recent implementations of parking charge and resident/hotel permit holder areas, or from events which effects may be ameliorated.
- The **consultation survey** publication text refers to “detailed information provided” but the contents are not detailed (per above bullet point) and does not allow residents to comment meaningfully on the proposals or their wider impacts.
- Prospects of further **Parking displacement** to neighbouring streets and the adjacent bowls and tennis club car park is not acknowledged.
- The consultation **does not indicate how the works and/or enforcement will be funded**, limiting residents’ understanding of feasibility.
- The consultation **title is misleading**, as it does not reflect that additional streets may be included.
- The **Town Council was not consulted in advance** to provide local knowledge, input or possible support.
- There is no indication of consideration or consultation involving the Bowls and Tennis Club in Cadogan Park, which has its own car park.
- While the **Draft TRO text** seems standard, its lawfulness depends on the adequacy of accompanying materials.
- The consultation may not fully comply with **the Gunning Principles**, which require sufficient information for consultees to give an informed response, including foreseeable effects and consequences.
- Oxfordshire County Council refers to the consultation being about new double yellow lines on parts of the Cadogan Park estate; yet there is no contemporary community recognition or common references to any area in the Town as “Cadogan Park estate.”

The Council is advised to note this Report and the issues listed above, and monitor whether OCC addresses them or restarts the consultation to disclose foreseeable impacts, funding, scope, and alternatives to ensure the consultation meets legal fairness standards. The Council is encouraged to consider any further follow-up or decision that it considers appropriate.

Planning

To consider the Council's response to the following consultations, applications and appeals:

Cllr Cooper left the meeting at 7:23 pm

- a) Application Number: 25/03029/FUL
Location: 7 The Black Prince 2 Manor Road Woodstock
Description: Erection of single and two storey extension to form new kitchen, restaurant and guestroom accommodation. Associated parking and landscaping works.
Planning (Listed Building and Conservation Areas) Act
- b) Application Number: 25/03030/LBC
Location: The Black Prince 2 Manor Road Woodstock
Description: Internal and external works to include erection of single and two storey extension to form new kitchen, restaurant and guestroom accommodation. Associated parking and landscaping works.
Planning (Listed Building and Conservation Areas) Act

The Council agreed to object to this application including b) under listed building with regard to

- Over development of the site
- Lack of appropriate Car Parking facilities
- The Bio-diversity self-assessment had not been completed
- The design and choice of the materials are not in keeping with the area
- The Council has not seen any reports regarding the heritage site

Cllr Cooper returned to the meeting at 7:32pm

- c) Application Number: 25/01510/OUT (enclosed)
Location: Land South Of Perdiswell Farm, Shipton Road, Shipton on Cherwell
Description: Outline planning application for the erection of up to 500 dwellings and commercial floorspace (Use Class E) with associate access, open space and infrastructure – All Matters Reserved except for Access

The Council agreed to submit their previous objections and for Cllr Wheatley, Poskitt and Connolly to add further comments to include:

	<ul style="list-style-type: none"> • With Botley West Solar Farm and the Land at Perdiswell Farm being owned by the same people. Destroy the independence of the surrounding Areas • Cllr Cooper remarked that this is a numbers game and the solution would be to build on the old Heyford Air Base and they would not need this site • Education facilities <p>It was also agreed that the 3 Cherwell Councillors for the area where this land is should be copied into our objection.</p> <p>The Council agreed to Cllr Williams will contact the CPRE</p> <p>d) Public Consultation: Modified Neighbourhood Development Plan for Bloxham Parish (enclosed)</p> <p>The Council noted the Bloxham Parish Plan and requested the Clerk to write and thank Cherwell Council for including WTC in this circulation and welcome being include in the future.</p>
<p>26/01/06 WTC</p>	<p>Mayor's and Clerk's Reports</p> <p>a) To receive an oral report from the Mayor</p> <p>I am pleased to inform you that McCarthy Stone lost their appeal for retirement flats on the Old TVP site. Sally Storman from Marrons and Cllr Poskitt presented our objections. Cllr Poskitt for outlining the Appeal case in the WODC report item 7.</p> <p>I attended the Lunch Club Christmas dinner on the 7th January once again this was excellent and enjoyed by all.</p> <p>The facility is purely run by Volunteers and I hope will always get support from WTC.</p> <p>b) To receive a report from the Clerk</p> <ul style="list-style-type: none"> • Kitchen at the Community Centre: The refurbishment of the Kitchen at the Community Centre will start on 19th January and will continue for 2 – 3 weeks • Playgrounds: The work at the playgrounds will start on 2nd February • Marrons: £6,568 was spent out of the £10,000 agreed budget for Marrons to represent the Council for the appeal. Thus £3,432 left in the budget. • Typographical error on the agenda: After the agenda was released, I noticed a typographical error in the year. The correct date is 13 January 2026, not 2025. The agenda will be corrected and the revised version uploaded to the website. • Draft Budget: I have to inform the Council that there has been a request from a third party that may affect the budget and is subject to the Council's decision. I strongly advise the Council to defer the budget decision and consider this matter at a future meeting, at which time I will be able to provide updated information.
<p>26/01/07 WTC</p>	<p>County and District Councillors' Reports</p> <p>To receive oral reports from:</p> <p>a) OCC Cllr Andy Graham Cllr Graham had not sent in a report nor attended the meeting</p> <p>b) WODC District Cllr Cooper and Cllr Poskitt</p> <p>Cllr Poskitt gave a short overview of the report outlining the Appeal against the McCarthy Stone development on the old TVP site and how she found the inspector very keen to listen to Woodstock Town Council's representatives, Sally Storman from Marrons Law Company, and herself.</p> <p>Cllr Cooper: Congratulated Cllr Poskitt on the speech she had made at the hearing and said it was the finest one he had ever heard her say. The Mayor asked the Council to applaud Cllr Poskitt.</p>

	<p>Cllr Poskitt informed the Council that the OCC Traffic Advisory Committee would be on Tuesday 27th January 2026 in the Mayors Parlour at 10:00 am and all welcome.</p> <p>The local elections will go-ahead in May 2026.</p>

<p>26/02/06 WTC</p>	<p>Mayor and Clerk's Reports</p> <p>a) To receive an oral report from the Mayor</p> <p>Some of you will have already heard about a resident who had a nasty fall in Union Street caused by a pothole that could not be seen in the dark. (Photos in your folder of injuries sustained). I have put in a personal interest due to the fact that it was a member of my family who fell. The FixMyStreet reporting facility frequently fails to work and it took this individual 5 attempts to actually get the site to accept the report of this pothole. The resident has emailed Oxford County Councillor Andrew Gant (Member for Transport Management), but has yet to receive a reply.</p> <p>The offending Pothole is situated very close to the access of Spencer Court and with some residents being able to walk to the town this accident could have been one of them and possibly ended in fatality.</p> <p>However, fixing the odd pothole because someone has either fallen or damaged their vehicle let alone the danger for motorcyclists is not acceptable and the roads in Oxfordshire are the worst in the Country. It is no good just plopping a dollop of tarmac in a pothole to solve this issue, repairs must be carried out properly otherwise the first heavy vehicle pushes out the repair and we are back where we started.</p> <p>The roads on the outskirts of the Town since the parking scheme was introduced has had to cope with an enormous amount of extra traffic which has in turn caused great wear and tear on such roads. The parking nose-to-tail means that some gullies are never cleared of leaves and debris, and so overflow.</p> <p>I would like the Council to place pressure on the OCC Highways to rectify the situation with potholes in Woodstock</p> <p>The Council agreed that this matter should be discussed at the next Environment Working Group meeting and a report brought to the March meeting.</p> <p>Cllr Cooper expressed his concerns about the sustained injuries and requested that the Minutes express the Council's Good Wishes for a speedy recovery</p> <p>b) To receive a report from the Clerk</p> <ul style="list-style-type: none"> - Bank Statements: The bank statements for the Council's accounts were not received in time for the preparation of the agenda and agenda pack, which prevented completion of the bank reconciliation reports. Once the statements are received, they will be included as additional documents, provided this occurs by the end of the week (6 February). - Opening Hours for Public Visits: Due to my CiLCA training requirements, I need to allocate one working day within my contracted hours for study in order to complete assignments, lectures, and related coursework. As a result, the public opening day at the Town Hall for in-person visits will change from Friday to Monday, with opening hours from 9:00 am to 1:00 pm, by appointment only. - WTC Policies & Protocols (item 15 from the Agenda): The Policies and the Protocol were reviewed in consultation with the Council's legal advisors, Satswana and Peninsula, and were approved prior to being presented to the Council.

	<p>The Mayor reported that the Hensington Road Car Park doesn't seem to be displaying the correct changes to the parking times and is causing confusion. Report of District Councillors for Bladon, Blenheim and Woodstock to Woodstock Town Council

Tuesday February 10th 2026

Public Convenience Overview & Scrutiny Task and Finish Group.

This group met again on 27th January. Other parish/town councils which, like WTC, had been asked whether they would take over care of one of the public conveniences in the town (Eynsham, Burford) had, like WTC, rejected the task of taking over the conveniences. The costs of the necessary upgrades and maintenance were not deemed of value for these conveniences which were (like Brown's Lane) not the sole convenience in their towns and were relatively infrequently used.

So these conveniences will be closed and the land, if owned by WODC, will probably be sold for other development and to help fund upgrades of the remaining public conveniences managed by WODC. For Woodstock this means that the public conveniences in Brown's Lane will close after March 31st 2026. Currently ownership of the freehold is uncertain and WODC is trying to clarify the matter.

The public convenience on Hensington Road Car Park will remain under WODC maintenance. It is – as with most of the other conveniences discussed – seriously in need of an update. WODC is proposing significant updates and regeneration of the public conveniences for which it will continue to care. The building on Hensington Road Car Park will be redesigned to create three direct access facilities and a complete refit. Three card readers will be installed although it will still be possible to continue to access the facilities using coins if wished. At least one of the toilets will be fitted out for disabled persons. Costs are currently estimated as close to £100,000. (Apparently direct access as opposed to toilets with space outside the toilets for handwashing are safer for members of the public using the toilets). For all this to go ahead an approval is required from the Executive at their next meeting but it is anticipated that they will approve the changes and costs as decent modern public conveniences are seen as a potential 'legacy' when the new regional authority takes over in 2028. The renovations could be supported in part at least by revenue gained from selling off some closed convenience sites and reduced maintenance costs for fewer buildings in a better state of repair. Although it is planned for changes to be completed in the 2026/27 financial year, there may be a slight delay for the Hensington Road site until a strategic decision has been taken for the possible neighbouring library which may also have public conveniences. However, if that strategic decision is not made soon, officers will ensure that work goes ahead irrespective of other decisions on the surrounding area.

Council meeting January 28th.

Council approved a motion that the Leader writes to the relevant government minister pointing out that significant communities in West Oxfordshire have poor or absent mobile phone connectivity and questioning the government about

action to resolve this. Another approved motion of significance to some of our residents, asked officers to review the fast-track process for delivering home adaptations for people with progressive or terminal conditions to ensure that target timeframes based on the national guidance set out by Foundations on Disabled Facilities Grant (DFG) delivery standards of 55 days for simple adaptations and 130 days for complex adaptations are achieved. Further the council recognised that 55 days (almost two months) should be seen as a maximum, and that such a long timeframe is not appropriate for smaller adaptations such as ramps or stairlifts.

Constitutional Working Group

This group discussed the constitution of the Planning Committees. Agendas for Uplands and Lowlands Planning Sub-Committees have often had rather short agendas over recent years. Government planning policy seems likely to make the number of developments sent for Planning Committee decisions even shorter. The Working Party therefore agreed to submit, to Executive and Council, that the two sub-committees are merged into one committee. We shall see how Council ultimately determines this matter.

<p>26/03/06 WTC</p>	<p>Mayor and Clerk's Reports</p> <p>a) To receive an oral report from the Mayor</p> <p>At the meeting of Tuesday 10th March 2026 the council receives photographs of a resident that had had a nasty fall due to a pothole in Union Street on Friday 6th February 2026 nearly 5 weeks ago. Unfortunately the damage to the residents face worsed greatly as time went on with extreme swelling and blood pooling under their eyes followed by extremely painful rhinitis. On Thursday 5th March 2026 the resident developed a headache which worsened each day until Monday 9th , yesterday it needed medical attention and the outcome after a CT scan was that the resident has long concussion plus Dentist confirmed the need to keep an eye on the resident front</p>

	<p>teeth due to X-rays showing the gums were very inflamed due to the impact of the fall and vulnerable to infection. I feel this is absolutely unacceptable for the resident to have to suffer.</p> <p>Just to remind all Councillors that the Town meeting is on Tuesday 24th March at 7.30pm in the Community Centre and it would be nice to see as many of you as possible.</p> <p>b) To receive an oral report from the Clerk</p> <p>Bleed Kit: The Bleed Kit has been placed in the Defibrillator Cabinet at the Community Centre. If members of the public need to use it, they should call free-to-call emergency services telephone number 999, who will provide the code for the Defibrillator Cabinet.</p> <p>St Mary Magdalene Churchyard: The Council has received confirmation from WODC that responsibility for maintaining the Churchyard will transfer to them from 9th March 2026.</p> <p>Asset Register and Valuation for Insurance (Typo Error): A typo error of £440,000 was identified in the insurance value column of the October 2023 Asset Register spreadsheet. This figure had been carried forward from the previously approved register. The error has now been corrected, and a new valuation process is underway.</p> <p>Water Meadows: As advised by the Council’s solicitors in 2011, a letter must be sent annually to the residents of Brook Hill and Glyme Close regarding possible encroachment of the Water Meadows. This year, the letter, together with a map from the Land Registry, was issued from the Town Clerk’s office and sent to residents on 24th February 2026.</p> <p>Memorial bench: The Memorial Bench on the Millennium Triangle by the Co-Op has been replaced with a new one, and the original plaque was transferred to the new bench.</p> <p>Room 13: We have taken a booking for Room 13 at the charge shown at the retrospective recommendation below.</p> <p>Retrospective Recommendation:</p> <p>That the Council approve a letting fee of £10 per hour on weekdays and £12 per hour on weekends. A minimum booking of 90 minutes would apply, with a maximum capacity of 8 people, in line with the terms of letting.</p> <p style="text-align: center;">Decision: The Council unanimously agreed the Clerk’s recommendations for the letting fees for Room 13.</p> <p>Printing Costs: We have been receiving requests for printing services. As the Council covers the cost of using the copier, it is reasonable that external organisations requesting printing contribute towards the cost. We have calculated the per-page cost for A4 black-and-white and colour copies. These calculations are based on the cost of paper per sheet, ink, service charges, electricity, and staff time.</p> <p>Recommendation:</p> <p>A4 Black & White – £0.40 per copy A4 Colour – £0.50 per copy Payment to be made in advance. Maximum of 50 copies per request. Double charge for 50–100 copies and triple charge for any copies over 100.</p> <p style="text-align: center;">Decision: The Council unanimously agreed to defer this recommendation, requesting the Clerk prepare a report and present it for further discussion.</p>
<p>26/03/07 WTC</p>	<p>County and District Councillors Reports</p> <p>To receive oral reports from:</p> <p>a) OCC Cllr Andy Graham</p> <p>OCC Cllr Graham updated the meeting on the following:</p>

- **Congestion Charges in Oxford:** It has been agreed that free Park and Ride facility for all has been extended to December 2026
- **Flooding:** This year flooding incidents have not been as bad as in previous years.
- The flooding in Cadogan Park has been addressed but possibly not a permanent solution
- **Bens Close Flooding:** a meeting has been arranged in a couple of weeks with the residents, Thames Water WODC and Calum Miller MP
- **Street Lighting in Woodstock:** There had been more complaints regarding the brightness of the LED lighting, this was being looked into
- **New Drs' Surgery:** The transport issue to access the proposed Owen Mumford site was being looked into
- **Potholes :** The repairing of potholes is a huge issue, we have increased the work crews and please if you spot a pothole report it with a photograph if possibly

Questions and Comments:

- **Cllr Banbury** suggested that flooding in Cadogan Park requires a long-term solution, as the underlying issue will recur.
 - **Cllr Poskitt** highlighted flooding at Bens Close and noted that heavy rain causes water to back up into residents' showers at Ramillies Close.
 - **Cllr Grant** emphasized that it is not best value to repair one pothole while leaving another nearby unrepaired simply because it has not been reported, stressing the Council's obligation to ensure best value for taxpayers.
 - **Cllr Williams** asked whether the feasibility study for access to the proposed new doctors' surgery on the Owen Mumford site would be completed before the planning submission.
Cllr Graham replied that highway issues are addressed as part of the planning process.
 - **Cllr Poskitt** noted that this is not solely a highways issue but an access matter, and the Council should make a strong case when the application is submitted.
 - **Cllr Wheatley** pointed out that road repairs currently have only a two-year guarantee and suggested this should be extended.
- b) WODC District Cllr Cooper and Cllr Poskitt
There were no questions to the WODC Councillors

APPENDIX 1

Clerk's Report for the WTC meeting on 14th April 2026

1. Breckon and Breckon – We received the monthly payment list from Breckon and Breckon and noted that the rent income does not cover their payment for March 2026.

The Council has an outstanding balance for March 2026 only, due to late submission of invoices for works already completed a few months ago. These relate to fencing at 2 Park Street, restoration of the Assembly Room fireplace, and installation of blinds in the Town Hall.

To avoid carrying this balance into the next financial year, which could affect the Council's audit, I, together with the Mayor, have authorised payment of £723.20 under Financial Regulation 5.15, bullet point 2, before the end of the 2025/2026 financial year.

2. Report on Urgent VAT Advice and Backdated Registration Work

This matter was identified by the last internal auditor, and the information has been summarised below.

Following a review of the council's receipts and payments reports for 2023/24, 2024/25, and 2025/26, it appears that the council has received significant income from property rentals, room hire, and weddings. Weddings are a taxable supply, which likely requires the council to be VAT-registered. Based on available information, the council may owe VAT dating back to 2023, with potential penalties for late registration. This could be offset by reclaimable VAT.

Given the potential risk to the council's financial compliance and public accountability, this work is considered urgent. Under Financial Regulation 5.18:

"In cases of serious risk to the delivery of council services or to public safety on council premises, the clerk may authorise expenditure of up to £2,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair as soon as possible and to the council as soon as practicable thereafter who will agree the budget to be used."

I have already arranged for a professional company recommended by OALC, to carry out this urgent work. As a member of OALC, the council is receiving a discounted rate of **£1,950 plus VAT**.

Scope of Work

- Conduct VAT partial exemption calculations for 2023/24, 2024/25, and 2025/26.
- Assess when the council should have registered for VAT.
- Assist with submitting a backdated VAT registration.
- Provide guidance on improving VAT recovery, including a written report, partial exemption spreadsheet, and reasonable aftercare.

Budget allocation: Provision must be made when agreeing the carry over reserves for 2025/2026 financial year.

3. Consultation for Subsidised Bus Services

The S7 subsidised bus services is currently under review in advance of their procurement, with new contracts scheduled to commence on Sunday 30 August 2026:

15	S7	Woodstock to Witney	Stagecoach
----	----	---------------------	------------

Members of the public are welcome to submit their thoughts on the existing provision and suggested amendments from representatives of the communities served by these routes: comments should be sent to public.transport@oxfordshire.gov.uk and should be received no later than **Monday 20th April 2026**.

APPENDIX 2

Report of District Councillors for Bladon, Blenheim and Woodstock to Woodstock Town Council Tuesday April 14th 2026

Council meeting March 25th

This was the last full Council meeting of the civic year. It was flooded with questions to the Executive and motions for consideration. Some motions fell due to lack of time but we did complete discussion on those deemed the more important ones. We have no further Council meetings until the annual meeting of the new Council in mid-May.

Constitutional change. A significant change to the Constitution approved by Council was the merging of the two Planning sub-committees into a single Development Management sub-committee. Development Control Committee which comprised both Uplands and Lowlands sub-committees in the past will now be re-named the Strategic Planning Committee and half its members will sit on the Development Management sub-committee. The other members of Strategic Planning can substitute for members of the sub-committee perhaps in the unavailability of other members or to cover significant applications from areas not otherwise covered by a sub-committee member. The changes come into action after the Annual meeting in May.

West Oxfordshire was unusual in having two geographically based committees dealing with planning applications. For some time agendas for our sub-committees have often been short or cancelled due to lack of business. Proposed government policy suggests that relatively few applications will be dealt with by planning committees in the future.

Motions. Thames Water: One Council motion passed at Council requested the Council Leader to write to the Prime Minister calling for Thames Water to be brought into public ownership; neither bonuses nor dividends to be issued until all rivers in the region met all clean water standards; and that Thames Water reports quarterly on how much raw sewage has been pumped into West Oxfordshire rivers and on the Company's progress with reducing the sewage outpouring.

Concerns over the new NPPF. Another motion approved related to concerns about the changes to the National Planning Policy Framework (NPPF) in relation to treating Nature Recovery and Climate Resilience as secondary considerations rather than fundamental planning principles; the need for more allowance for local plan policies rather than just for nationally set planning rules; reduced evidential requirements in the consultation about applications, concerns about how immediate implementation of the new NPPF will affect Council's plans for eg. Net-Zero Salt Cross Village because local policies will be subservient to national policy; and also that developments smaller than 50 homes being able to avoid on-site 'affordable' housing would severely affect construction of such homes.

Business rates. A further approved motion dealt with business rates and the District Council's power to grant discretionary rate relief. The motion request Executive and the CEO consider whether a Local Discount and Incentives Policy could enhance the well-being and objectives of the District and that they review and improve communications with small businesses to help understand how their rates may vary during transition to their new rates in coming years.

Decarbonising WODC's Leisure Centres.

A major decarbonisation project at West Oxfordshire's Windrush Leisure Centre is nearing completion, significantly reducing emissions and removing fossil fuels from one of the district's busiest public buildings. New low carbon heating systems have now been installed, improving energy efficiency and helping future-proof the centre for years to come. Delivered through the Public Sector Decarbonisation Scheme, the project will replace gas heating with modern air source heat pumps, reducing both emissions and long-term costs. Eleven heat pumps have been installed alongside new air handling units to improve heating and ventilation, creating a more comfortable environment for users. Solar panels are now also in place, generating renewable electricity to support day – to – day operations.

Together the upgrades are expected to cut the centre's carbon emissions by around 39% - saving more than 20 tonnes of carbon each year. The work forms part of a wider programme across West Oxfordshire's leisure centres, including new solar panels at Carterton Leisure Centre.

The project supports the Council's ambition to reach carbon neutrality by 2030 and highlights how investment in public buildings can deliver both environmental and financial benefits for local communities.

Retirement.

Cllr Julian Cooper was first elected to the District Council in 1986 and, apart from four years out in the early 2000s has served Woodstock & Bladon & Blenheim and the whole of West Oxfordshire with dedication and hard work. I (Elizabeth) thank him enormously for his help and guidance and support since I became a Councillor in 2012. He will be much missed at District but is remaining a Town Councillor. In that role he has served almost without break as Councillor now to Woodstock Town Council and previously to Hensington Without before Woodstock Town Council came into its present form. Many thanks Julian and may you enjoy retirement – although I know you have other roles to keep you busy.

	<p>After some discussion regarding the changes made to this application, the Council unanimously agreed that Cllrs Wheatley, Poskitt and Connolly would prepare a draft response to be submitted to the Council for approval at the next meeting on Tuesday 9 June 2026.</p> <p>The Council also agreed that the Clerk would contact the Cherwell District Council Planning Department to enquire whether a WTC councillor may attend and speak at the consultation.</p>
<p>26/05/20 WTC</p>	<p>Firefighter Owen Wilson had arrived.</p> <p>The Mayor asked the Council to agree to allow Mr Wilson to address the meeting.</p> <p style="text-align: center;">The Council unanimously agreed.</p> <p>Mr Wilson gave an overview of the role of a retained firefighter and the need to seek more information from potential recruits, including people who work from home who may be interested in joining.</p> <p>Mayor's and Clerk's Reports</p> <p>a) To receive an oral report from the Mayor</p> <ul style="list-style-type: none"> ○ First of all I would like to put on record my heartfelt thanks to the former Mayor Cllr Ann Grant for her invaluable help and guidance over the last 18 months when I was privileged to be her Deputy. I would also like to thank her on behalf of the Council as a whole for the time, energy, commitment and scrupulous attention she has put in to caring for the town over the last 12 months. Thank you Ann. ○ Cllr Grant replied to the Mayor: Thank you ○ Next I would like to thank all Councillors that contributed to the bouquet of flowers for former Cllr Addis after she resigned from the Council. ○ I would also like to mention that I have heard from a resident that the Woodstock Surgery is approaching patients that appear not to be using the Surgery frequently to say they are removing them from their patient list which is apparently within their legal rights, but I would be very interested to know how many existing patients have received such a letter. <p>b) To receive a report from the Clerk</p> <ul style="list-style-type: none"> ○ <u>Minutes</u>: Typo errors: Agenda Item 14 should read consultation, not consolutions ○ <u>Co-option</u>: WODC has confirmed that it did not receive the minimum number of signatures required for the vacancy to proceed to an election, so WTC may proceed with co-option. The vacant Councillor's position is now advertised on the WTC website and Council notice boards. Applicants are invited to submit an application form and refer to the co-option policy. The deadline for receiving applications is 8 June 2026, which is 14 working days after the vacancy notice was published. ○ <u>Agenda Item 5 e): Planning Application 25/01510/OUT</u> : The Clerk's Office has received a lot of emails from local residents objecting to this application. The Planning Application can be found on the Cherwell Planning Portal here: https://www.cherwell.gov.uk/info/9/planning-and-building/940/strategic-development-sites <ul style="list-style-type: none"> • Cllr Dawson asked the Clerk for a summary of the nature of the objections. • The Clerk responded that he was unable to provide a summary at the meeting due to the volume of the correspondence but confirmed he would be happy to provide a summary after the meeting. ○ <u>Agenda Item 9: Internal Audit</u>: The internal auditor, LCC, was appointed by WTC to carry out the internal audit for one year. The auditor identified some errors in the previous internal audit and provided detailed and valuable advice. <p><u>Recommendation:</u></p> <p><i>WTC to continue to appoint the same internal auditor for the next 3 years</i></p> <ul style="list-style-type: none"> • Cllr Cooper stated that he was unclear on what was being asked for a vote. • The Clerk clarified that the Council needed to appoint an Internal Auditor. He explained that the Council had previously appointed the current Internal Auditor for £660.00 plus mileage and any

additional fees for extra reports, and extra visits and asked whether the Council wished to reappoint the same auditor or seek quotes for a new Internal Auditor for a one- or three-year term.

Motion

Proposed by: Cllr John Banbury

Seconded by: Cllr Ann Grant

That WTC to continue to appoint the same Internal auditor for the next 3 years

The Council unanimously agreed this recommendation

- Agenda Item 11: Christmas Lights: Currently, two companies are in discussion and preparing their proposals, and additional responses are anticipated. The information will be presented at future Council meetings.
- Agenda Item 13: Pothole and Street Works Crisis: At the WTC meeting held on 10 March 2026 (Item 9f on the agenda), it was resolved to send a letter to the Rt Hon Heidi Alexander MP, Secretary of State for Transport at the Department for Transport, regarding the failure to address the escalating pothole and street works crisis. The enclosed letter under Item 13 of the agenda is the response received.
- Agenda Item 16: Tree Debris: This matter was reported to WODC on 5 March, and there has since been ongoing correspondence. The tree debris is still present, and the most recent email from WODC was received on 7 May.

County and District Councilors' Reports

a) To receive a report from OCC Cllr Andy Graham

- Change of Leader: Cllr Graham informed the Council that the new leader of the OCC council was now Cllr Tim Bearder as Cllr Liz Leffman had stood down.
- Invest Plan arising from Congestion Charge income:
 - This funding has to be spent on improvements to Transport:
 - Park and Ride remains at £2.50 and free bus and continues to August when it will rise to £3.00;
 - There will be additional help for key workers as they give essential services
- Cycle Racks
 - A Cycle Rack outside the Co-op had been damaged and will be fixed;
 - The Cycle Racks by the Town Hall are being screened by wheelie bins and a solution for this needed to be found.
- Highways updates:
 - OCC has invested in considerable resurfacing in the area and potholes are being repaired.
 - **Cllr Grant** asked if OCC had a Supervisor or overseer that checked the resurfacing works before the Companies are paid as the Witney Road although recently being resurfaced is showing the potholes reappearing as it seems they were not repaired prior to the resurfacing.
 - **Cllr Dawson** seconded this opinion as he is a cyclist and the uneven surface appearing after the resurfacing due to the pothole not being repaired first is more dangerous than the actual potholes
 - **Cllr Graham** did not answer this question.
 - Bridge on A44 by the Black Prince: Plans are underway for the closure of this part of the A44 due to need for cabling and piping required for the new Hill Rise Development.

b) To receive a report from WODC District Cllr Elizabeth Poskitt and Cllr Hannah Massie.
